

Faculty of Science Course Syllabus (Section A)**Department of Economics***Economics 2231**Perspectives on Health Economics**Winter 2023*

Dalhousie University is located in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq. We are all Treaty people.

We acknowledge the histories, contributions, and legacies of the African Nova Scotian people and communities who have been here for over 400 years.

Instructor(s): Shelley Phipps

Email: shelley.phipps@dal.ca

Lectures: In-person, Mon/Wed, 1:00-2:30, McCain 1130 (not recorded)

Office Hours: Tues/Wed 10:00 – 11:30

These will be held online via Collaborate Ultra on Brightspace (look under 'Content' for Office Hours)

Course Description

This course introduces students to the role of economics in health, health care, and health policy. It comprises a survey of major topics in health economics and an introduction to ongoing debates over health care policy. Topics covered this term include the measurement of health, social and economic determinants of health, models of individual and family health behaviours, the Canadian health care system, health and the labour market, health externalities, child development, and health issues for an aging population and increasingly diverse population.

Course Prerequisites

Economics 1101 and any Math or Stats class with a minimum grade of C

Learning Objectives

- Develop a basic understanding of how economists apply theoretical models and empirical techniques to aid in understanding health issues/outcomes
- Become familiar with current issues in health/health care in Canada
- Begin to read/evaluate professional literature on health economics
- Enhance economic writing skills
- Learn to access, present, and analyse Canadian health economics data

Course Materials

There is no textbook. Instead, students will need to read academic journal articles that can be accessed electronically via the Dalhousie library.

Lecture slides will be posted on the course Brightspace page.

To participate in office hours, a camera and mic will be required.

Course Brightspace page: <https://dal.brightspace.com/d2l/home/249019>

Course Assessment

Component	Weight (% of final grade)	Date
<i>Midterm exam</i>	20	Wed, March 1 (in class)
<i>Final exam</i>	30	<i>(Scheduled by Registrar)</i>
<i>Mini Papers</i> (2)	30 (15 points each)	Feb 8 and Apr 5
<i>Quizzes</i> (4)	20 (5 points each)	Jan 18, Feb 1, Mar 15, Mar 29

Conversion of numerical grades to Final Letter Grades follows the Dalhousie Common Grade Scale

A+ (90-100)	B+ (77-79)	C+ (65-69)	D	(50-54)
A (85-89)	B (73-76)	C (60-64)	F	(<50)
A- (80-84)	B- (70-72)	C- (55-59)		

Dalhousie Definition/Explanation of letter grades (17.1 undergraduate calendar)

	Definition	Explanation
A+, A or A-	Excellent	Considerable evidence of original thinking; demonstrated outstanding capacity to analyse and synthesize; outstanding grasp of subject matter; evidence of extensive knowledge base.
B+, B or B-	Good	Evidence of grasp of subject matter, some evidence of critical capacity and analytical ability; reasonable understanding of relevant issues; evidence of familiarity with the literature.
C+, C or C-	Satisfactory	Evidence of some understanding of the subject matter; ability to develop solutions to simple problems; benefitting from his/her university experience.
D	Marginal Pass	Evidence of minimally acceptable familiarity with subject matter, critical and analytical skills
F	Inadequate	Insufficient evidence of understanding of the subject matter, weakness in critical and analytical skills; limited or irrelevant use of the literature.

Course Policies on Missed or Late Academic Requirements

There are no make-up opportunities for missed quizzes or the mid-term exam. If you must miss a quiz or the mid-term, please contact me and submit a 'Student Declaration of Absence' form (see below). The policy for the class will be to add the weight of the mid-term or a quiz missed for valid, documented reasons, to the final exam.

You must pass the final exam to pass the course. Students who miss the final exam for a valid, documented reason will need to write a make-up exam.

Both mini-papers must be submitted to pass the class.

Please contact me through email to make arrangements and submit a 'Student Declaration of Absence' form if you will be late with a paper due to an illness or emergency. A copy of the form is available under 'Content.'

The 'Student Declaration of Absence' form should be submitted via the dropbox provided on Brightspace under Assessments. Following university policy, at most 2 such forms can be submitted in a one- semester class. If you have longer-term health issues, contact Patricia Laws, Assistant Dean (Student Affairs).

[https://cdn.dal.ca/content/dam/dalhousie/pdf/dept/university_secretariat/policy-repository/Student%20Absence%20Regulation%20\(May%202018\)%20\(3\).pdf](https://cdn.dal.ca/content/dam/dalhousie/pdf/dept/university_secretariat/policy-repository/Student%20Absence%20Regulation%20(May%202018)%20(3).pdf)

If you are late with a paper without a valid reason, there will be a 10% deduction per day.

In the event of university closure (e.g., for weather, health or security reasons), assignments will be due the following class; the mid-term will be written in the following class.

Course Policies related to Academic Integrity

Academic integrity must be respected in EVERY aspect of this course.

Students are not allowed to work together on their papers.

Note: You may not copy words written by someone else; nor may you take the words written by someone else and 'change them a little.' When you are using ideas/information/data you have taken from another source, *you **must acknowledge this*** with a parenthetical author/date reference in your text as well as an entry in your bibliography. Please ask me if you have any doubts; consult university policy in the link provided below.

Information: https://www.dal.ca/dept/university_secretariat/academic-integrity.html

Your work must be submitted through a dropbox on Brightspace and will be checked for plagiarism using the software 'Ouriginal.'

Note: I am required to submit any suspected violations of academic integrity violation to a Faculty of Science Academic Integrity Officer for further investigation.

Faculty of Science Course Syllabus (Section B) (revised April-2022)**Winter 2023***Perspectives on Health**Economics 2231***University Policies and Statements**

This course is governed by the academic rules and regulations set forth in the University Calendar and by Senate

Academic Integrity

At Dalhousie University, we are guided in all of our work by the values of academic integrity: honesty, trust, fairness, responsibility and respect (The Center for Academic Integrity, Duke University, 1999). As a student, you are required to demonstrate these values in all of the work you do. The University provides policies and procedures that every member of the university community is required to follow to ensure academic integrity.

Information: https://www.dal.ca/dept/university_secretariat/academic-integrity.html

Accessibility

The Advising and Access Services Centre is Dalhousie's centre of expertise for student accessibility and accommodation. The advising team works with students who request accommodation as a result of a disability, religious obligation, or any barrier related to any other characteristic protected under Human Rights legislation (Canada and Nova Scotia).

Information: https://www.dal.ca/campus_life/academic-support/accessibility.html

Student Code of Conduct

Everyone at Dalhousie is expected to treat others with dignity and respect. The Code of Student Conduct allows Dalhousie to take disciplinary action if students don't follow this community expectation. When appropriate, violations of the code can be resolved in a reasonable and informal manner—perhaps through a restorative justice process. If an informal resolution can't be reached, or would be inappropriate, procedures exist for formal dispute resolution.

Code: https://www.dal.ca/dept/university_secretariat/policies/student-life/code-of-student-conduct.html

Diversity and Inclusion – Culture of Respect

Every person at Dalhousie has a right to be respected and safe. We believe inclusiveness is fundamental to education. We stand for equality. Dalhousie is strengthened in our diversity. We are a respectful and inclusive community. We are committed to being a place where everyone feels welcome and supported, which is why our Strategic Direction prioritizes fostering a culture of diversity and inclusiveness

Statement: <http://www.dal.ca/cultureofrespect.html>

Recognition of Mi'kmaq Territory

Dalhousie University would like to acknowledge that the University is on Traditional Mi'kmaq Territory. The Elders in Residence program provides students with access to First Nations elders for guidance, counsel and support. Visit or e-mail the Indigenous Student Centre (1321 Edward St) (elders@dal.ca).
