

Faculty of Science Course Syllabus
Department of Mathematics and Statistics
MATH 3031
Abstract Algebra I
Fall 2019

Lectures: MWF 08:35 – 09:25 LSC Common Area C216
Instructor: Neil J. Ross neil.jr.ross@dal.ca Chase 213
Office hours: MW 15:00 – 16:30

Course Description

Groups, subgroups, permutation groups, cosets, direct products, fundamental theorem of finitely generated abelian groups, simple groups, group homomorphisms, factor groups, isomorphism theorems of groups, series of groups, Sylow theorems and applications. Additional topics may include free groups, group actions, and groups in Topology.

Course Prerequisites

MATH 2040 or MATH 2135.

Course Objectives/Learning Outcomes

- Become familiar with the objects and methods of group theory.

Course Materials

- *A First Course in Abstract Algebra* (7th ed.) by John B. Fraleigh.

Course Assessment

Weekly assignments will be posted on BrightSpace. The assignment with the lowest grade will not count toward the final grade. The midterm will take place in class on Friday October 25th 2019. The final examination will last 3 hours and will be scheduled by the registrar.

The final grade will be computed according to the grading scheme below.

Component	Weight (% of final grade)	Date
Midterm	25%	Friday October 25 th 2019
Final exam	50%	(Scheduled by Registrar)
Assignments	25%	

The conversion of numerical grades to Final Letter Grades follows the Dalhousie Common Grade Scale.

Conversion of numerical grades to Final Letter Grades

A+ (90-100)	B+ (77-79)	C+ (65-69)	D	(50-54)
A (85-89)	B (73-76)	C (60-64)	F	(<50)
A- (80-84)	B- (70-72)	C- (55-59)		

Course Policies

Students are encouraged to collaborate when working on their assignments but must prepare their final copy individually. Assignments must be handed in at the beginning of class on the due date. Late assignments will not be accepted and will result in a grade of 0 unless a prior arrangement was made.

Textbooks, course notes, and calculators are not permitted during exams. Missed exams will result in a grade of 0 unless a prior arrangement was made.

Course Content

The course will cover chapters I, II, III, and IV of the textbook.

Discrete Structures I

University Policies and Statements

This course is governed by the academic rules and regulations set forth in the University Calendar and by Senate

Academic Integrity

At Dalhousie University, we are guided in all of our work by the values of academic integrity: honesty, trust, fairness, responsibility and respect (The Center for Academic Integrity, Duke University, 1999). As a student, you are required to demonstrate these values in all of the work you do. The University provides policies and procedures that every member of the university community is required to follow to ensure academic integrity.

Information: https://www.dal.ca/dept/university_secretariat/academic-integrity.html

Accessibility

The Advising and Access Services Centre is Dalhousie's centre of expertise for student accessibility and accommodation. The advising team works with students who request accommodation as a result of a disability, religious obligation, or any barrier related to any other characteristic protected under Human Rights legislation (Canada and Nova Scotia).

Information: https://www.dal.ca/campus_life/academic-support/accessibility.html

Student Code of Conduct

Everyone at Dalhousie is expected to treat others with dignity and respect. The Code of Student Conduct allows Dalhousie to take disciplinary action if students don't follow this community expectation. When appropriate, violations of the code can be resolved in a reasonable and informal manner—perhaps through a restorative justice process. If an informal resolution can't be reached, or would be inappropriate, procedures exist for formal dispute resolution.

Code: https://www.dal.ca/dept/university_secretariat/policies/student-life/code-of-student-conduct.html

Diversity and Inclusion – Culture of Respect

Every person at Dalhousie has a right to be respected and safe. We believe inclusiveness is fundamental to education. We stand for equality. Dalhousie is strengthened in our diversity. We are a respectful and inclusive community. We are committed to being a place where everyone feels welcome and supported, which is why our Strategic Direction prioritizes fostering a culture of diversity and inclusiveness

Statement: <http://www.dal.ca/cultureofrespect.html>

Recognition of Mi'kmaq Territory

Dalhousie University would like to acknowledge that the University is on Traditional Mi'kmaq Territory. The Elders in Residence program provides students with access to First Nations elders for guidance, counsel and support. Visit or e-mail the Indigenous Student Centre (1321 Edward St) (elders@dal.ca).
