

PHARMACEUTICAL SCIENCES

Master of Science (MSc)

The goal of this program is to educate students to become high quality, research-based scientists who can contribute to drug discovery and development in academia and the pharmaceutical industry. Please note that this program is research-intensive and is only open to students who have completed a Bachelor of Science degree.

DAL.CA

Why study Pharmaceutical Sciences at Dalhousie?

RESEARCH STRENGTHS

Thesis-based experimental research program

Pharmacokinetics

Biopharmaceutics

Biological chemistry
