

PHILOSOPHY

Master of Arts (MA) Doctor of Philosophy (PhD)

This Department's graduate programs are small and selective. They typically have four to six MA students and four to six PhD students. Graduate students receive individual attention, and courses of study can be developed to suit individual interests. The atmosphere is unusually friendly, stimulating and supportive. There is a great deal of faculty/student interaction, not only in classes and weekly colloquia, but also informally.

DAL.CA

Why study Philosophy at Dalhousie?
