A common allegation is a case involving 2 or more students facing allegations arising from the same fact situation. In the case of a common allegation, please endeavour to submit allegations and supporting documents against all students in the group at the same time. Please note – a separate form and supporting materials must be submitted for each student.

Is this a common allegation?

Number of students involved:

*Please describe the incident below, or attach a memo. Please **attach the original piece of work** in which the offence occurred, the class syllabus and any supporting material. If there are comparisons to be noted between the documents (e.g. sections of a paper and SafeAssign results) please mark the relevant sections by underlining or highlighting*
