Student Appeals Procedure Flowchart

- If the Decision was made by a faculty member/an administrator, the student should usually first attempt to resolve their concerns informally with them. If the student and faculty member/ administrator are unable to resolve the student's concerns, the student should attempt to resolve the concerns informally with the Director of the student's School/ College.
- If the Decision was made by the Director of the student's School/ College, the student should attempt to resolve their concerns informally with that Director.
