Bachelor of Science (Kinesiology) First Year Course Planning Guide

2022-2023 Academic Year

The guide below can be used to assist you with your first-year course selection. Use the table below, the [academic timetable](#) and the [schedule worksheet](#) to build your schedule. Plan your required courses first, and then choose your electives based on your interests and future goals. For complete degree requirements, see the Academic Calendar at www.dal.ca/calendar.

Transfer students or any student with questions about Kinesiology course selection should contact one of the HAHP advisors:

Heidi Tracey Baillie at htb@dal.ca or Lindsay Currie at lindsay.currie@dal.ca

Interprofessional Health Education (IPHE) 4900: Interprofessional Health Education Portfolio ***	Interprofessional Health Education (IPHE) 4900: Interprofessional Health Education Portfolio. ***

* **ENGL1100:** Please register for designated Kinesiology lecture section and choose one tutorial from designated Kinesiology tutorial sections. The tutorial may show at the same time as the lecture and may appear as a conflict - please proceed to register for both regardless as you will only have a lecture or tutorial on those days.

** **PHYL 1011/1001 and 1012/1002** – If registering for 1011 and/or 1012, students must register for a tutorial along with the lecture. If registering for 1001 and/or 1002, it will be lecture only and when the course starts, you may then sign up for Teaching Assistant led tutorials. We recommend students take PHYL 1011/1012 with the required tutorial, if possible.

*** **IPHE 4900:** Register for this like you would a course but when the semester begins, you will not actually attend a lecture each Tuesday/Thursday as noted in the timetable. Students must register in IPHE 4900 every term during the degree.
