

First Year Course Planning Guide

The guide below can be used to assist you with your first-year course selection. Use the table below, the [academic timetable](#) and the [schedule worksheet](#) to build your schedule. Plan your required courses first, and then choose your writing requirement based on your interests and future goals. For complete degree requirements, see the Academic Calendar at www.dal.ca/calendar.

Transfer students or any student with questions about Recreation Management course selection should contact one of the HAHP advisors - **Heidi Tracey Baillie** at htb@dal.ca or **Lindsay Currie** at lindsay.currie@dal.ca or for questions specifically about MGMT courses, students may contact the Faculty of Management advising office at uao@dal.ca.

Note: * 6-credit-hour courses in a single term are the equivalent of two courses in the same term; these cover both Writing Requirement courses for the year. To accommodate a 6 credit-hour writing requirement in the fall term (SUST 1000 or ENGL/CRWR 1030), SOSA 1002 or ECON 1101 would have to move to the winter term. If students choose HIST 1510 in winter term for the writing requirement, ECON 1102 or SOSA 1003 would have to move to fall. These changes may not be possible if the switch creates a conflict with a required LEIS or MGMT course.
