

Growing Rural Nurses – NS Health – Dalhousie Campus SON Scholarship

Application Requirements:

- Complete the application form.
- Include current resume: inclusive of education, employment experience, skills, honors and awards, extracurricular activities, additional training, and community service.
- Include two written references from local community member (e.g., school, community group, coach, employer). Must not be family member.
- Include written submission based on the outline below.

Written Submission Outline:

Nova Scotia Health’s vision is “Healthy People, Healthy Communities for generations” and our organizational values are respect, integrity, courage, innovation, and accountability. Describe why you have chosen a career in nursing, and how your role as a Registered Nurse will positively contribute to your community. Include examples from your life in relation to the values of NS Health, such as how you demonstrate them and/or when you have experienced them in your community.

Use references from the literature and other sources and cite properly. Zero tolerance for plagiarism. Please use size 12 Times New Roman font, double space, 1-inch margins. Submission should be 3-6 pages long (not including references).

- **Application deadline – April 8th, 2024**
- **All applicants will be notified of outcome by May 3rd, 2024**
