

**NURSING RESEARCH & DEVELOPMENT FUND and  
MARGARET INGLIS HAGERMAN RESEARCH FUND  
DALHOUSIE UNIVERSITY, SCHOOL OF NURSING  
Halifax, Nova Scotia Canada B3H 3J5**

**OPERATING / DEVELOPMENT GRANT GUIDELINES AND INFORMATION**

1. The purpose of the funds are to support research in nursing practice, nursing management, and nursing education that has the potential of providing benefits to nursing in Nova Scotia.
2. **Nursing Research & Development Fund:** The Principal Investigator or Co-Principal Investigator must be a Dalhousie University School of Nursing Faculty member, Adjunct Faculty, Graduate Student or Post Doctoral Fellow. Graduate Students and Post Doctoral Fellows from another discipline are eligible if their supervisor is a faculty member in the School of Nursing and their research is nursing related.  
  
**Margaret Inglis Hagerman Nursing Research Fund:** Registered nurses enrolled in graduate studies or postdoctoral fellowships at the School of Nursing, Dalhousie University are eligible to apply.
3. There are two categories of award: (a) Operating Grant, and (b) Development Grant.
4. An Operating Grant is an award to conduct research specific to nursing practice, management and/or education. Requests for matching funds will also be considered.
5. A Development Grant is an award to enable the development of an innovative idea into a feasible research proposal specific to nursing practice, management and/or education.
6. The maximum award in either grant category is \$5,000.
7. The timeframe of the award is one year.
8. Application deadlines are February 1, May 1 and November 1.
9. Proposals will be reviewed by the Research & Scholarly Development Committee (RSDC) and an external reviewer.
10. Proposals are awarded on three criteria:
  - a) Relevance and Significance to the purpose of the Fund.
  - b) Scientific merit.
  - c) Academic and professional preparation of the application.
11. If scientific merit is equivalent then priority will be given to students and faculty who have not previously received an award.
12. Successful applicants may only hold one grant at a time. However, at the discretion of the Board, project co-Principal Investigators may each apply for, and receive funding for the same research as long as priority is given to other fundable projects, as determined by the RSDC.
13. Funds will not be released until evidence has been received that the appropriate review ethics board has approved the research to be conducted in their institution.

Edited December 2023

14. On completion of the project, a written report is to be sent to: Chair, Research & Scholarly Development Committee at the above address. The Chair makes the report available to the Research and Scholarly Development Committee, the Board of Directors and the nursing community.
