Non BSW Entry MSW – Practicum 1

Name of Student:	Pronouns:
Name and Location of Agency:	
Faculty Advisor:	Date of Final Evaluation:
Agency Instructor:	

Recommended Grade:

Pass

Fail

This evaluation is completed by both the Agency Instructor and the Faculty Advisor. (Please see relevant section.)

The Final Evaluation is based on the approved Learning Agreement and the SLWK 5004 course outcomes.

Section 1 – To be completed by the Agency Instructor

Please comment on the specific learning goals and objectives of the Learning Agreement in each of the following objectives:

1. To understand the social services and health sectors in a community; the mandate, philosophy, funding, organizational structure, services and programs and utilize this information for generalist practice with individuals, families, groups and communities.

2. Practice in a manner that respects diversity, develop and demonstrate an understanding of the significance of social identity and self-awareness for the social worker and client.

3. Begin to develop and advance social work skills such as engagement, assessment, case management, intervention, mediation, advocacy and activism.

4. Begin to demonstrate a critical analysis of the relationships between power, societal structures, justice and equity and the role of the placement agency in service delivery.

5. Demonstrate an understanding of the professionalism and ethical practice through knowledge of the Code of Ethics and Standards of Practice; initiate own learning and professional development.

6. Develop the ability to practice social work in situations of conflict, showing good judgment, an openness to learn, and understanding of privilege, and the use of critical self-reflection.

7. To understand and articulate the relationship between personal struggles and social, political and economic processes and structures.

8. Develop a Personal Framework for Practice which integrates theory, knowledge, values and skills and demonstrates appropriate critical social work interventions.

Section 2 – To be completed by the Agency Instructor

1. What is your overall assessment of the Student's performance in the placement?

2. Please identify and explain the areas of practice that require further development.

3. Additional comments by Agency Instructor:

Section 3 – To be completed by the Faculty Advisor

1. Please evaluate the Seminar portion of the Field Education Course relative to the course outcomes.

Section 4 – To be completed by the Student

Please comment on the specific learning goals and objectives of the Learning Agreement in each of the following objectives:

1. To understand the social services and health sectors in a community; the mandate, philosophy, funding, organizational structure, services and programs and utilize this information for generalist practice with individuals, families, groups and communities.

2. Practice in a manner that respects diversity, develop and demonstrate an understanding of the significance of social identity and self-awareness for the social worker and client.

3. Begin to develop and advance social work skills such as engagement, assessment, case management, intervention, mediation, advocacy and activism.

4. Begin to demonstrate a critical analysis of the relationships between power, societal structures, justice and equity and the role of the placement agency in service delivery.

5. Demonstrate an understanding of the professionalism and ethical practice through knowledge of the Code of Ethics and Standards of Practice; initiate own learning and professional development.

6. Develop the ability to practice social work in situations of conflict, showing good judgement, an openness to learn, an understanding of privilege, and the use of critical self-reflection.

7. To understand and articulate the relationship between personal struggles and social, political and economic processes and structures.

8. Develop a Personal Framework for Practice which integrates theory, knowledge, values and skills and demonstrates appropriate critical social work interventions.
