

Knowledge Translation (Selected) – Lois A. Jackson

PEER-REVIEWED PUBLICATIONS

Trainees are indicated by an *. Trainees include graduate thesis students/post-doctoral students, or students who worked as research assistants on my funded research projects during their period of study.

Journal Articles

1. **Jackson, L.**, Kruisselbrink, A., Bourgeault, I., Price, S., Gardiner Barber, P., Nourpanah, S.,* & Leiter, M. (2020). Geographically mobile healthcare workers and the conditions of their travel: The perspectives of managers. *Healthcare Management Forum* 33 (5). 206-209.
2. **Jackson, L.** & Strike C. Harm reduction ‘on the move’: What is the role of environmental influences? [Commentary]. (2020). *Journal of Health Care for the Poor and Underserved*, 31(2), 519-529.
3. **Jackson, L.**, Price, S., Gardiner Barber, P., Kruisselbrink, A., Leiter, M., Nourpanah, S.,* & Bourgeault, I. (2019). Healthcare workers ‘on the move’: Making visible the employment-related geographic mobility of healthcare workers. *Health Sociology Review*, 28:3, 277-290. DOI: 10.1080/14461242.2019.1659154
4. Miller, L, Brushett, S., Ayn, C., Furlotte, K., **Jackson, L.**, MacQuarrie, M., Massie, A. S., Mathias, H., McKay, M., Meisner, B., Moritz, L.,* Stilwell, C., & Weeks. L. E (2019). Developing a competency framework for population health graduate students through student and faculty collaboration. *Pedagogy in Health Promotion*. 1-9 <https://doi.org/10.1177%2F2373379919859607>
5. Nourpanah, S.*, Bourgeault, I., **Jackson, L.**, Price, S., Gardiner Barber, P., & Leiter, M. (2018). Intersecting policy contexts of employment-related geographical mobility of healthcare workers: The case of Nova Scotia, Canada. [Discussion and Debate] *Healthcare Policy*,14(2), 12-21.
6. Vermeir, E.,* **Jackson, L.**, & Marshall E.G. (2018). Improving healthcare providers’ interactions with trans patients: Recommendations to promote cultural competence. [Discussion and Debate] *Healthcare Policy*, 14(1), 11-18.
7. Leiter, M., **Jackson, L.**, Bourgeault, I., Price, S., Kruisselbrink, A., Gardiner Barber, P., & Nourpanah, S.* (2018). The relationship of safety with burnout for mobile health employees. *International Journal of Environmental Research and Public Health*, 15 (1461), 11 pages.
8. McIsaac, J-L.,* Warner, G., Lawrence, L., Urquhart. R., Price, S., Gahagan J., McNally, M., & **Jackson, L.** (2018). The application of implementation science theories for population health: A critical interpretive synthesis. *AIMS Public Health*, 5(1), 13-30. [JLM was a post-doctoral fellow working with S. Kirk]
9. Vermeir, E.,* **Jackson, L.**, & Marshall, EG. (2018). Barriers to primary and emergency healthcare for trans adults. *Culture, Health & Sexuality: An International Journal for Research, Intervention and Care*, 20(2), 232-246. doi:10.1080/13691058.2017.1338757
10. Adamson, K.,* **Jackson, L.**, & Gahagan, J. (2017). Young people and injection drug use: Is there a need to expand harm reduction services and support? [Commentary]. *International Journal of Drug Policy*, 39, 14-20.
11. Urquhart, R.,* **Jackson, L.**, Sargeant J., Porter, G., & Grunfeld, E. (2015). Health system-level factors influence the implementation of complex innovations in cancer care. *Healthcare Policy*, 11(2), 102-118.
12. Hare, K.,* Gahagan, J., **Jackson, L.**, & Steenbeek, A. (2015). Revisualizing ‘porn’: How young adults’ consumption of sexually explicit Internet movies can inform approaches to Canadian sexual health promotion. *Culture Health & Sexuality: An International Journal for Research, Intervention and Care*, 17(3), 269-283.
13. Hare, K.,* Gahagan, J., **Jackson, L.**, & Steenbeek, A. (2014). Perspectives on ‘pornography’: Exploring sexually explicit Internet moves’ influences on Canadian young adults’ holistic sexual health. *The Canadian Journal of Human Sexuality*, 23(3), 148-158.
14. Urquhart, R.,* Porter, G., Sargeant, J., **Jackson, L.**, & Grunfeld, E. (2014). Multi-level factors influence the implementation and use of complex innovations in cancer care: A multiple case study of synoptic

- reporting. *Implementation Science*, 9(121). 16 pages.
15. **Jackson, L.**, Buxton, J., Dingwell, J., Dykeman, M., Gahagan, J., Gallant, J., Karabanow, J., Kirkland, S., LeVangie, D., Sketris, I., Gossop, M., & Davison, C. (2014). Improving psychosocial health and employment outcomes for individuals receiving methadone treatment: A realist synthesis of what makes interventions work. *BMC Psychology*, 2(26), 20 pages. DOI: [10.1186/s40359-014-0026-3](https://doi.org/10.1186/s40359-014-0026-3)
 16. **Jackson, L.**, McWilliam, S.*, Martin, F., Dingwell, J., Dykeman, M., Gahagan, J., & Karabanow, J. (2014). Key challenges in providing services to people who use drugs: The perspectives of people working in emergency departments and shelters in Atlantic Canada. *Drugs: Education, Prevention and Policy*, 21(3), 244-253.
 17. Urquhart, R.,* Grunfeld, E., **Jackson, L.**, Sargeant, J., & Porter, G. (2013). Cross-disciplinary research in cancer: An Opportunity to narrow the knowledge-practice gap. *Current Oncology*, 20(6):e 512-521.
 18. McWilliam, S.,* **Jackson, L.**, Dykeman, M., Gahagan, J., & Karabanow, J. (2013). Keeping the focus on safer practices: A safer practices lens. [Viewpoint] *International Journal of Drug Policy*. 24(5):508-509.
 19. Parker, J.,* **Jackson, L.**, Dykeman, M., Gahagan, J., & Karabanow, J. (2012). Access to harm reduction services in Atlantic Canada: Implications for non-urban residents who inject drugs. *Health & Place*, 18(2), 152-162.
 20. Kisely, S., Campbell, LA., Cartwright, J., Bowes, M., & **Jackson, L.** (2011). Factors associated with not seeking professional help or disclosing intent prior to suicide: A study of Medical Examiners' records in Nova Scotia. [Brief Communication] *Canadian Journal of Psychiatry*, 56(7), 436-440
 21. Campbell, LA., **Jackson, L.**, Bassett, R., Bowes, M., Donahue, M., Cartwright, J., & Kisely, S. (2011). Can we use medical examiners' records for suicide surveillance and prevention research in Nova Scotia? *Chronic Diseases and Injuries in Canada*, 31(4), 165-171.
 22. Hood, R., Martin, D.,* McLaren, B., & **Jackson, L.** (2011). Youth views on environmental changes, the future of the environment, and stewardship: The case of a Canadian coastal community. [Insights and Applications] *Society and Natural Resources*, 24(6), 616-625.
 23. **Jackson, L.**, Unruh, A., & Donahue, M. (2011). Living in a rural community is good for your health...or is it? Young women talk about rural living and their emotional and mental health. *Canadian Journal of Community Mental Health*, 30(1), 45-60.
 24. **Jackson, L.**, Dykeman, M., Gahagan, J., Karabanow, J., & Parker, J.*(2011). Challenges and opportunities to integrating family members of injection drug users into harm reduction efforts within the Atlantic Canadian context. *International Journal of Drug Policy*, 22(5), 385-392.
 25. Harrold, J.,* & **Jackson, L.** (2011). Hurry up and wait: The experiences of young women in rural Nova Scotia accessing specialized care. *Canadian Journal of Rural Medicine*, 16 (3), 83-88.
