First-Year Bachelor of Science (Health Promotion) Course Planning Worksheet

2019-2020 Academic Year

The guide below can be used to assist you with your first-year course selection. Use the table below, the [academic timetable](#) and the schedule worksheet to build your schedule. It is recommended you schedule your required courses first, and then choose your electives based on your interests and future goals. The Course Planning Worksheet is meant as a reflective tool to plan out your courses. For complete program requirements, see the Dalhousie Academic Calendar at www.dal.ca/calendar or ask your advisor.

* **ENGL1100:** Please register for lecture section 3 and choose one tutorial from sections T10-T14. Tutorials do not conflict with class time as they appear in the timetable so do not worry if a conflict between lecture and tutorial appears.

** **IPHE 4900:** You will register for this as you would a course although you will not actually attend a lecture each Tuesday/Thursday as noted in the timetable. Do not be concerned with any time conflicts that show between IPHE 4900 and your other courses. Students must register in IPHE 4900 (section 02) every term while in the degree program.

*** **Open Elective:** This can be any course of your choice for which you are permitted to register.

TRANSFER STUDENTS:

Transfer students or any student with questions/concerns should contact a Health and Human Performance Advisor for course selection assistance (see contact details below).
