* Elective Information

Open Electives: Open Electives for the program are to be filled with courses required to apply for Pharm D, as noted in the list on page 1.

HAHP/HPRO Electives: Any HAHP or HPRO course that is not already required to be taken in the program. This may include the following (subject to availability):

- HAHP 3000 – Community Development
- HPRO 2255 – Substance Use, Drug Policy and Harm Reduction
- HPRO 3325 – Mental Health Promotion
- HPRO 3250 – Human Nutrition
- HPRO 3351 – Injury Prevention and Safety Education
- HPRO 3360 - Multicultural Health Promotion Research and Policy
- HPRO 4101 - Advanced and Applied Research Methods
- HPRO 4102 – Honours Thesis (only available to students in Honours)
- HPRO 4412 – Human Sexuality
- HPRO 4450 – Comprehensive School Health Promotion
- HPRO 4595 – Advanced Program Planning and Evaluation
- HPRO 4701 – Advanced Special Topics

EDIA Elective: Kuwait Pathway students may take HPRO 3360 to fulfill their EDIA elective requirement. It also counts as a HAHP/HPRO Elective

Health Related Electives: Any course in which the majority of content is related to health. Any course from the Faculty of Health or any course with the word 'health' in the title will count. Other courses may be considered – please consult with an advisor.

Writing Requirement – please choose any 1000 level ENGL course (3 credit hours) that is listed as a course that will fulfill a writing requirement.

****IPHE 4900 – Interprofessional Health Education Portfolio**

Students in the Faculty of Health Professions **must register for IPHE 4900 each term while registered in their respective degree program**. This is a non-credit requirement that has no course fee. Students will take part in interprofessional collaborative learning experiences that will be outlined by the School each year.

Minors/Certificates

Students in the BHP degree are able to consider a minor and/or certificate but these are not required. The process to declare a minor or certificate can be found in Dal Online. To view a list of minors and certificates along with their requirements, please see the [Academic Calendar](#). Not all minors or certificates are available to all students, nor will they all be possible to fit into the BHP degree. To discuss further, please contact an advisor.

Honours - Students may apply for honours by **November 15th** of the year before their final year of the program. If accepted, students will proceed by taking HPRO 4101 in the subsequent winter term and HPRO 4102 in the fall of their final year. Both courses can count toward electives. Students must obtain a minimum grade of B in 4101 to be eligible to continue in 4102.
To be eligible for honours, students must complete HAHP HLTH 3010 before or in the fall term the application is due. A grade of B or better in this course is required, as is a cumulative GPA of 3.70 over the previous 45 credit hours. To apply for honours, please see a HAHP academic advisor.

Study Abroad – Students may be eligible to participate in a study abroad experience. This requires much planning and students would typically plan to go in winter of year 3. Students should meet with an advisor during or before fall semester of year 2 to determine if it's possible to fit a study abroad experience into their degree.

GPA Requirement for Internship – students must have a minimum cumulative GPA of 2.00 or higher prior to the enrolling in HPRO 4495.15 (internship).
