

DUNS Student Support Bursary

Purpose

DUNS recognizes the complex needs of our student body, including the need for financial assistance. In recognizing this need, DUNS bursaries are available to help nursing students when other avenues of financial support are unavailable.

Eligibility

DUNS grants are available to any undergraduate nursing student who has paid their society fee.

Ineligible Uses

Bursaries cannot be used to purchase alcohol or fund illegal activity.

Application Processing

The application for the bursary will be reviewed by the Vice President Student Support and DUNS members. The council may ask the applicant for additional information before approving the bursary. Any personal information provided to VP Student Support is strictly confidential – no identifiers will be used when other members of council review the application.

If you are in crisis, DUNS executive members will work diligently to ensure the decision is made in a timely manner. In such situations, a maximum of 4 hours is required to process the application.
