---

**“CREATING A PERSON-CENTRED LEARNING  
ENVIRONMENT—A PARTICIPATORY  
AND COLLABORATIVE APPROACH”**

***Professor II, Buskerud University College, Drammen, Norway;  
Extraordinary Professor, Department of Nursing, University of Pretoria, South Africa;  
Visiting Professor, Maribor University, Slovenia;  
Resident Scholar, Dalhousie University, Halifax, Canada.***

Brendan's internationally recognized work in person-centered practice development and research has resulted in successful long-term collaborations in Ireland, the UK, Norway, The Netherlands, Canada, Australia and South Africa. His writing and research work focuses on person-centered practice, gerontological nursing, and practice development and he serves on a number of editorial boards, policy committees, and development groups in these areas. He has a particular focus on the use of arts and creativity in healthcare research and development. Brendan has more than 600 published outputs, including 180 peer-reviewed publications and 8 books. Until this year he was the founding Editor of the "International Journal of Older People Nursing". Brendan is a Fellow of The European Academy of Nursing Science. In 2014 he was made a Fellow of the Royal College of Nursing, awarded the 'International Nurse Researcher Hall of Fame' by Sigma Theta Tau International and listed in the Thomson Reuters 3000 most influential researchers globally.
