Electives are available to students in Semesters 6 & 7 only.

- AS – students in Advanced Standing cohort
- DE – students in Direct Entry cohort

As N4381 is intended as a Semester 7 course, we wanted to alert you that this online course will be offered during Weeks 1 through 7 of the semester. There will be NO break during your time in semester 6 clinical! Please note that there will be no extension to any of the assignment dates granted due to the nature of this course!

** N4823.06 is a **six** credit course, running from **September to January** from St. FX. This can count as your two nursing electives.

++ N4471.03 must be completed to register for N4472.03
