

## School of Nursing Departmental Scholarships

Award	Lottie Morrison Scholarship	School of Nursing Master of Nursing Scholarship	School of Nursing PhD Scholarship	Dr. R.M MacDonald Scholarship
<b>DESCRIPTION</b>	This <b>entrance scholarship</b> is awarded annually to assist a <b>Master of Nursing program</b> at Dalhousie with the intention of furthering their studies in the areas of <b>mental health</b> . Applicants must forward a letter to the awarding committee, outlining their intentions to further their studies in mental health.	To provide one or more annual \$1,000 scholarships to a <b>part-time student(s) entering the Master of Nursing Program</b> , whose academic background is outstanding and who demonstrates the contribution that they can make to nursing and health care as an outcome of graduate study in nursing. Applicants will submit a letter which outlines the contribution they can make to nursing and health care as part of their graduate study in nursing.	Awarded annually to a student(s) enrolled in the PhD (Nursing) program, who demonstrates potential for and/or shows active involvement in advancing the nursing profession in Canada. Those students who meet the minimum GPA criteria of 3.66 in a previous degree will be invited to submit a letter of application that outlines the following: Their contribution to nursing leadership in advancing nursing knowledge, nursing theory and practice, and health care policy; how their research will improve health outcomes in their chosen practice area; how their research will influence health and social policy to improve health and the health care system. Three reference letters must be included.	This entrance scholarship is awarded annually to a student entering the Master of Nursing, Nurse Practitioner stream at Dalhousie University. The scholarship will be awarded in October of each year. In selecting a recipient, students entering in both January and September of each year will be considered. The scholarship will be awarded in the Fall and will be inclusive of January and September applicants of that calendar year. All applicants will forward a letter to the awarding committee, outlining how they intend to contribute to NP role. All applicants will forward two letters of reference to the awarding committee

Award		Parkin Family Nursing Scholarship	Ruth May Award	Anna Trenholm Memorial Prize	Masters Leadership Alumni Award
<b>DESCRIPTION</b>		Dr. Robert P. Parkin established the scholarship fund as an initiative to assist in the education of well-trained nurse practitioners. This <b>renewable entrance scholarship</b> is awarded to students entering the Master of Nursing – Nurse Practitioner Stream program. The awarding committee will consider students with an outstanding GPA (Minimum 3.3 GPA after first term) who have shown ability, interest, and commitment to work in rural and remote communities. Upon receiving their grades for the first term, eligible applicants will forward a letter to the awarding committee, demonstrating their interest in and commitment to working in rural and remote communities, and their knowledge of the healthcare needs of those communities.	Awarded annually to a student in the <b>Nurse Practitioner option of the Master of Nursing program</b> at Dalhousie University who has demonstrated clinical excellence and professional growth. All applicants will forward a letter to the awarding committee, stating how the program has contributed to the student's personal and professional growth.	To honour the memory of Anna Trenholm Diploma Outpost Nursing 1970, BN '76), this convocation prize is awarded to one or more annual awards to a <b>graduating nursing student(s)</b> in the Nurse Practitioner MN Degree program who, in the judgment of faculty, show(s) the most promise for contributing to the health of a northern/rural Canadian community. All applicants will forward a letter to the awarding committee, outlining their plans for contributing to the health of a northern Canadian community.	Given annually to a <b>graduating student in the Master of Nursing program</b> who has demonstrated significant leadership during their years of study.  Students graduating in the Fall or Spring of the current academic year are eligible.

Award		Mary Inglis Hagermann (at least 2 scholarships to be awarded)	Katherine and Robert MacDonald Award for Excellence in Clinical Nursing Practice	Helen Watson Memorial Scholarship
DESCRIPTION		Awarded annually to one <b>student currently enrolled in the Master of Nursing program</b> and one student <b>currently enrolled in the Master of Science in Nursing Program</b> at Dalhousie, who have each demonstrated leadership qualities. Recipients must meet the following criteria: The scholarship recipient will have achieved a high level of academic standing as determined by the awarding committee; the scholarship recipient will have demonstrated leadership qualities as determined by the awarding committee; <b>preference will be given to students from Atlantic Canada.</b>	To provide financial assistance to student who is studying in the non-thesis option of the Master of Nursing Program at Dalhousie University and who has demonstrated excellence in clinical nursing practice at the end of the first year of study. Applications must include a letter of application for the Award; a statement of career goals, and how his/her selected graduate program will contribute to excellence in clinical nursing practice. Three (3) letters of references from referees who can speak to the candidate's ability to demonstrate excellence in clinical nursing practice. One letter of reference must be from a professor who teaches a clinical nursing course in the MN program.	Established to recognize Helen Watson's lifelong commitment to promoting excellence in community health nursing practice. Applicants must be enrolled in the PhD (Nursing) program; normally have a minimum GPA of 3.66 in their previous degree; and submit a letter outlining their contribution to nursing leadership, how their research will improve health outcomes in their chosen practice area, and how their research will influence health and social policy to improve health and the health care system in Canada. Three (3) references must be included.
