### **(DIS)ABILITY SUPPORT FOR FIELDWORK**

There is support for students who need accommodations for fieldwork due to a (dis)Ability. If you have a (dis)Ability and might require accommodations within fieldwork, please register at the Mark A. Hill Access and Advising Centre located in the Killam Library Building (see link below). The School's Accommodation Officer/Associate Director is also available to discuss your accommodation needs particularly if those needs extend beyond the services of the Mark A. Hill Centre. It is advisable to register even if you are not certain you will need accommodations so we are prepared to support you if needed.
