

The Environmental Law Students' Society and the Marine & Environmental Law Institute Present

MEET THE PROFS

Featuring:
**Lisa
Mitchell**

Lisa Mitchell, B.A., LL.B., M.E.S., is one of very few practicing environmental lawyers in Nova Scotia. Lisa has been involved with both advocacy and policy development, helping to draft the revised Pest Control Products Act as well as the Nova Scotia Environment Act. Today, Lisa runs LJM Environmental Law & Consulting and is currently involved in projects such as White's Point, wind energy development and the remediation of contaminated sites.
