Alternative Paper Course	Approved by MELP Director	Date

NOTE: not all courses are offered every year

Students must complete two required and two elective courses and fulfill all the requirements of the specialization they enrol in. For all major paper courses listed above, students must have their paper topics approved by the MELP Director **prior** to writing the paper. Students may also take other major paper courses to serve as electives toward a certificate **subject to the approval** of the paper topic by the MELP Director **prior** to the paper being written.

Students are encouraged to meet with the MELP Director, **prior to the last day to drop/add classes** to discuss course selection. We ask that you complete this form each year to keep our records up-to-date and so that we can assist you better in your course selection. Return this form to the Marine & Environmental Law Institute, in person to room 413 or by email to melp@dal.ca.
