

13TH ANNUAL

Douglas M. Johnston Lecture

Rule of Law in the High Seas? Hopes for Biodiversity Beyond National Jurisdiction

.....

Cymie R. Payne, Associate Professor, School of Environmental and Biological Sciences, School of Law, Rutgers University

Professor Payne is a member of the School of Law, Rutgers University faculty. She has appeared as counsel before the International Tribunal for the Law of the Sea, as expert on environmental reparations before the International Court of Justice. She is Chair of the IUCN World Commission on Environmental Law – Ocean Law Specialist Group. She holds a MA from The Fletcher School of Law and Diplomacy and a JD from the University of California, Berkeley, and is a Fellow of the American College of Environmental Lawyers.
