Meet the Profs is an annual event hosted by the Marine & Environmental Law Institute (MELAW), Environmental Law Students' Society (ELSS) and the Career Services and Employer Relations (CDO) office at the Schulich School of Law.

MELP faculty welcome students to join them for lunch. This is a great way for the students to meet the faculty and speak to them about what the MELP program is all about and where an environmental and/or marine certificate will take them.
