The screenshot shows the Dalhousie University Novanet search interface. At the top, the Dalhousie University logo is on the left, and navigation links for 'New Search', 'Subject Guides', 'Document Delivery', and 'Live Help' are on the right. The 'New Search' link is highlighted with a red box. Below the header, a search bar contains the text 'wonderland'. To the left of the search bar are tabs for 'Search', 'Books +', and 'Articles +', with the 'Search' tab highlighted by a red box. A blue callout bubble points to these tabs with the text 'There are 3 tab options'. To the right of the search bar is a 'Search' button and a link to 'Advanced Search Browse'. Another blue callout bubble points to the 'New Search' link with the text 'A New Search can be performed at any time'. Below the search bar, the results are displayed as 'Results 1 - 10 of 5,693 for All Novanet'. On the left side, there are sections for 'Expand My Results' (with a checkbox for 'Expand beyond my library'), 'Show only' (with filters for Peer-reviewed Journals, Full Text Online, and Available in the Library), 'Refine My Results' (with a 'Resource Type' filter showing Newspaper Articles, Articles, Reviews, Books, and Audio Visual), and a 'Library' list (showing various university libraries and their counts). The main results area shows six items, each with a star icon, a title, a description, and links for 'View Online', 'Full Record', and 'More Options'. The items are: 1.
