

## Dalhousie Libraries – System wide – Fall 2016

Over the winter and spring of 2016, the Dalhousie University Libraries assessed the Research Now DeGruyters journal package and determined that usage for these journals was very low in comparison to other journal packages and that many of the journals were available in alternate locations. As a result, this package has not been renewed.

### Free Online

Title
California Journal of Politics and Policy
Journal of Applied Analysis
Journal of Causal Inference
