A $2000 award for a currently enrolled Dalhousie student who has integrated GIS in their studies and hopes to continue studies in GIS and consider as a career option.

For up-to-date information go to the web site: Esri Canada GIS Scholarships – Esri Canada Scholars Portal

Scholarship package:
- A one-time payment of $2000
- An extensive suite of software, books, training, free conference passes, and 3 years access to advanced Esri technologies for development. All valued at nearly $50,000

For a detailed list of the award package, see What does the scholarship offer? – Esri Canada

Your Application Package must include:
- A cover letter (highlighting GIS & RS activities)
- A current CV/Resume
- An academic transcript (can be unofficial)
- A GIS Poster (attach as a pdf)
- A GIS Report (done as a story map)

Application Deadlines and format
The guidelines listed are for your poster and summary report, all of which are to be submitted to the GIS Centre by 10 pm on Thursday, March 28th, 2024.

GIS Poster*:
- Must use ArcGIS software
- Must be created by the applicant
- Include a title, your name, and Dalhousie University/Department name
- Graphic quality for printing (min. 300 dpi)
- 61 cm x 91 cm, portrait orientation
- Required file format is pdf
- File size should not exceed 25 MB
- See: Want to learn to create a poster below

GIS Report
- Must explain your project or research
- 800-1000 words maximum if written
- Or, it can be a Story Map
- Could include additional maps and other diagrams
- Or, it can be an app you built.

Guidelines for your report. (esri Canada link)

*Want to learn to create a poster? Dalhousie Libraries' Research Camp includes a *Publishing & Presenting Research* Brightspace module with an *Intro to Conference Posters* submodule. You can self-register anytime in Brightspace by clicking "Academic Support > Self registration" and selecting "Research Camp".

Email your package to the Dal GIS Centre: James Boxall james.boxall@dal.ca
Specify Subject as: GIS Scholarship
Deadline to apply: Thursday, March 28th, 2024 (no later than 10 pm)
