

Bachelor of Management Student Handbook

2024/2025

A student is governed by the academic regulations in place at the time of initial enrolment as long as the degree is completed within the time permitted (see [Section 15-Duration of Undergraduate Studies](#)), and that subsequent changes in regulations shall apply only if the student so elects. Students applying the old academic regulations should consult the calendar of the appropriate year. If you require further information, please contact uao@dal.ca.

Important Notices

Recent changes or updates to policies will be shown on the website version.

Students are advised that the matters dealt with in this handbook are subject to continuing review and revision. This handbook is not an all-inclusive set of rules and regulations but represents only a portion of the rules and regulations that will govern a student's relationship with the university. Further rules and regulations are outlined in the Undergraduate Calendar and publications available to the student from the Registrar's Office and/or other relevant faculty, department, or schools. Where differences appear between this handbook and the University Regulations, the University Regulations prevail.

Welcome to the Bachelor of Management Program!

Whether it is your first year or your fourth, this Student Handbook is an excellent resource as you move through your university career. Before you begin reading the pages that follow, there are a few key points we wanted to bring to your attention.

First, would be the importance of coming in to familiarize yourself with the Undergraduate Advising Office (UAO). The UAO is your one-stop shop at Dalhousie to help answer your questions or point you in the right direction. We have laid out the contact information and a brief bio of what our office does on the next page.

Second, we wanted to make you aware of the importance of your Dalhousie Email. Your Dal email will be our principle means of communicating with you while you are at Dalhousie. One of the biggest responsibilities you have as a student is to regularly check your Dal email and read notices carefully. Emails are the best way to stay informed about scholarships/bursary applications, study workshops, policy changes, important academic information, as well as notifications regarding the optional internship component of your program from the Management Career Services (MCS) office. If you are having difficulty using or accessing your Dal email account, contact the Help Desk at 902.494.2376 or helpdesk@dal.ca. Another way to stay informed about scholarships, deadlines, and opportunities is through UAO Brightspace page, so be sure to check it out.

Third, this handbook is here to help make the necessary information accessible and clear. However, if you still have questions, please contact the UAO office for further information.

We are looking forward to working with you!

Sincerely

The Undergraduate Advising Team

Undergraduate Advising Office (UAO)

Location

Kenneth C. Rowe Management Building

Who to see & when?

Program Assistant - Kim Jones

Kim is your first point of contact when you visit the Undergraduate Advising Office. If you have general questions about the Program; need to set up a meeting with an Academic Advisor, Program Administrator or Director; are not sure where to go on campus for a service, Kim is who you want to speak with.

Academic Advisors - Angie, Colleen, Huinan, Jill, Julie, and Michele

Our amazing team of Academic Advisors are here to support students throughout their academic journey. This list is not exhaustive, but is meant to give you an idea of ways they can help you:

- navigate your program requirements;
- understand policies and procedures;
- become informed of **ways to add value** to your degree;
- arrange a class schedule that hopefully works best for your needs;
- act as your advocate when life challenges present themselves;
- help navigate what to do if you have missed classes, exams, or assignments for medical or compassionate reasons;
- provide referrals to other services or departments on campus as needed;
- plan and set your personal, academic and career goals.

Global Experience Manager – Katie Haigh

Katie is available for anything exchange related. She is also accessible for international student support and building up your Intercultural competencies.

Program Administrator - Margie Muise

Margie is available to meet with you if you experience academic problems which result in dismissal, have concerns about courses, or want to discuss the program structure. She will refer you to the Program Director and/or the Assistant Dean Student Success and Engagement when appropriate.

Writing Requirement

- In the first year of the program, 1 full credit (6 credit hours) **must** be selected from a list of classes in which written work is considered frequent and detailed. These classes are approved by the Writing Across the Curriculum committee.

Required Open Electives

- 3 half credit (9 credit hours) classes in Management (MGMT) Electives are required

Open Electives

- 7.5 full credits (15 half credits/45 credit hours), classes offered in the University
- Of the 7.5 full credits (15 half credits/45 credit hours) a maximum of 3 full credits (6 half credits/18 credit hours) classes at the 1000 level are permitted (including MGMT electives)
- Of the 7.5 full credits (15 half credits/45 credit hours) a maximum of 3 full credits (6 half credits/18 credit hours) classes in Commerce are permitted

Management Majors Summary

The following are the required courses for each management major.

Major in Entrepreneurship and Innovation

Focus on the principles and skills you need to create or support new ventures, either independently or in organizations

Students must complete the following 5 classes:	MGMT 2902.03 Innovation
	MGMT 3511.03 Management Information Systems
	MGMT 3907.03 New Venture Creation
	MGMT 4901.03 Applied Entrepreneurship and Innovation
Total 8: Required 4 , Elective choice 4	
Please refer to the Bachelor of Management Website for a list of elective choices http://bmgmt.management.dal.ca/Majors/ENTI/	

Major in Leadership and Organizations

Focus on the theory and practice of leadership in the management of organizations

Students must complete the following 4 classes:	COMM 3303.03 Human Resource Management
	COMM/MGMT 3309.03 Management Skills Development
	COMM 3310.03 Reflections on Leadership
	MGMT 3320.03 Organization Theory
Total 8: Required 4 , Elective Choice 4	
Please refer to the Bachelor of Management Website for a list of elective choices- http://bmgmt.management.dal.ca/Program_Details/LORG/	

Major in Managing Data and Information

Managing information and data effectively is essential to business, public sector, and society. Learn how organizations leverage technology to create, store, manage, analyze, and share data and information to make effective decisions; use analytics to create knowledge from raw data; and apply best practices in the use of information technology and systems to support decision-making.

Students must complete the following 4 classes:	MGMT 3511.03 Management Information Systems
	MGMT 3601.03 Information in a Networked World
	MGMT 3603.03 Beyond Google
	MGMT 4620.03/INFO 6620.03 Web Design and Architecture
Total 8: Required 4 , Elective Choice 4	
Please refer to the Bachelor of Management Website for a list of elective choices- http://bmgmt.management.dal.ca/Program_Details/MDAI/	

Major in Public Sector Management

Explore how to create a good society and how to balance justice with order

Students must complete the following 4:	MGMT 2200.03 Fundamentals of the Legal Environment of Management
	MGMT 2805.03 Introduction to Indigenous Governance
	MGMT 3802.03 Public Policy
	MGMT 3810.03 Government Policy Towards Business
Total 8: Required 4, Elective Choice 4	
Please refer to the Bachelor of Management Website for a list of elective choices- http://bmgmt.management.dal.ca/Program_Details/PSMT/	

Students are strongly recommended to take a full credit of French or Spanish. Note that it is also possible to obtain a minor in French or Spanish.

Major in Environment, Sustainability and Society

Drawing on virtually every academic discipline, Dalhousie has created the first Environment, Sustainability and Society program in Canada.

	SUST 1000.06: What is Sustainability? or SUST 1001.06: A Sustainable Future* MUST be taken in first year. (These are full year credits offered in a single term)
Students must complete the following 5:	SUST 2000.06: Local Governance or SUST 2001.06: Global Environmental Governance (These are full year credits offered in a single term)
	SUST 3000.03: Environmental Decision Making or MGMT/SUST 3702.03: Sustainable Industries
	SUST 4001.03: Environment, Sustainability and Society Capstone Part 1
	SUST 4002.03: Environment, Sustainability and Society Capstone Part 2**
Total 8: Required 5: Choice 3	
Please refer to the Bachelor of Management Website for a list of elective choices- http://www.dal.ca/faculty/management/current-students/bmgmt.html	

*SUST 1000 or SUST 1001 satisfy the first year ESS Major requirement, however; SUST 1000 also satisfies the BMgmt writing requirement and can be more easily accommodated in the first year BMgmt schedule. SUST 1001 does NOT satisfy the BMgmt writing requirement.

**SUST 4001 and SUST 4002 must be completed in consecutive fall and winter terms. Credit will NOT be granted for SUST 4001 without successful completion of SUST 4002.

Degree Requirements

The Bachelor of Management is a four-year program comprising of eight academic terms. The equivalent of 40 half credits (20 full credits) are required for graduation. All classes are worth either a half credit each (denoted by .03) that lasts a semester or a full credit (denoted by .06) that lasts for a full academic year or two semesters. The following is a summarized list of required core, management and open electives that constitute the Bachelor of Management Program.

Required Core Area Classes

ECON 1101.03	Principles of Microeconomics
ECON 1102.03	Principles of Macroeconomics
MGMT 1101.03	Introductory Accounting I
MGMT 1301.03	Interdisciplinary Management I
MGMT 1302.03	Interdisciplinary Management II
MGMT 1601.03	Mgmt Software and Technology
MGMT 2303.03	People, Work & Organizations: Micro Organizational Behaviour
MGMT 2304.03	People, Work & Organizations: Macro Organizational Behaviour
MGMT 2305.03	Ethics and Social Responsibility
MGMT 2401.03	Introduction to Marketing
MGMT 2402.03	Marketing Applications for Not-for-Profit Sectors
MGMT 2605.03	Working with Data
MGMT 2801.03	Government Structure
MGMT 2902.03	Innovation: Design Thinking
MGMT 3001.03	Research Methods and Applied Data Analytics
MGMT 3201.03	Financial Management
MGMT 3501.03	Operation Management
MGMT 3602.03	Professional Communication Skills
MGMT 4003.03	Strategic Management
MGMT 4004.03	Interdisciplinary Mgmt Capstone

Required Management Electives (3 half credits)

If students decide they want to do the generic Bachelor of Management degree, they will be required to take 3 half credits (1.5 full credits/9 credit hours) in Management Electives. The following is a summarized list of Management Electives that would apply to the program.

MGMT 1102.03	Introductory Accounting II
MGMT 2105.03	Intro Conflict Management
MGMT 2106.03	Climate Change & Sustainability
MGMT 2200.03	Legal Environment of Management
MGMT 2205.03	Financial Skills for Success
MGMT 2805.03	Introduction to Indigenous Governance
MGMT 3003.03	Tourism Management
MGMT 3108.03	Green Finance & ESG (Environment, Social and Governance) Investing
MGMT 3308.03	Managing the Family Enterprise
MGMT 3309.03	Management Skills Development
MGMT 3320.03	Organizational Theory
MGMT 3511.03	Management Information Systems
MGMT 3601.03	Information in a Networked World
MGMT 3603.03	Beyond Google
MGMT 3605.03	Mgmt of Knowledge & Innovation
MGMT 3701.03	The Community as a Living Lab

MGMT 3702.03	Sustainable Industries
MGMT 3710.03	Business in Emerging Markets
MGMT 3802.03	Public Policy
MGMT 3810.03	Government Policy towards Business
MGMT 3902.03	Starting Lean
MGMT 3907.03	New Venture Creation Entrepreneurship
MGMT 4125.03	Conflict Negotiations & Sustainability
MGMT 4333.03	Project Management
MGMT 4340.03	Corporate Governance
MGMT 4901.03	Applied Entrepreneurship & Innovation

Courses and Registration

The registration process can be the easiest or the most time-consuming exercise students encounter while at university. Experience shows that the process is smoother for students who register early (to ensure class availability) and who plan their class choices in advance. Registration is available through [Dal Online](#).

More information about planning your registration can be found under the Academic Support menu of the [Campus Life](#) website.

Planning

All students must plan for their elective choices in their 3rd and 4th years. The electives typically would be classes to satisfy a major, minor or certain certificate requirements. Students may also decide to take classes from any discipline and do a generic degree.

When registering for electives, please check the Undergraduate Calendar to see if there is any exclusion to the course. Credit is not given to two courses that are exclusions to each other; for example, MGMT 1501 is an exclusion to STAT 1060. If you have taken both courses, you will only receive credit for one towards your program, although both GPAs will be counted on your degree.

Students who have failed, dropped, or are missing credits, must find a method of replacing those credits before graduation and should meet with their Academic Advisor.

Resource Sheets

Major planning worksheets and other related academic information are available on our [website](#).

Declaring a Major

Completing a major, minor, or certificates are completely optional, and are not required to complete your degree program.

To declare a major, log into Dal Online and click on “Web for Students. Once logged in, click on Student Records, Declare your major/minor/certificate, and then the box to request update to your major/minor declaration. As a Management student, you can choose only one major and/or minor. You are permitted to declare and complete more than one certificate.

While the declaration can be done any time during your program, we recommend declaring **by Winter term of year two**, as there are registration restrictions and seat reservations on many of the courses. If you have declared your major but wish to make a change, the same procedure applies. If you no longer wish to complete a major, choose “Management”

from the drop-down menu where the initial major is specified.

Majors (declared in the 2nd year)

- Entrepreneurship & Innovation
- Leadership and Organizations
- Managing Data and Information
- Public Sector Management
- Environment, Sustainability and Society

When choosing a major, students should carefully consider their choice of electives in their 3rd and 4th years. Students must check the prerequisites to ensure their eligibility for 4th year electives. It is recommended you meet with your Advisor to plan your major classes. Please consult the Majors Summary, found on pages 5 & 6 of this handbook, for required major classes.

Minors

Management Students can now choose to pursue a minor from various departments within the Faculty of Arts and Social Sciences, Faculty of Science, and the Faculty of Computer Science. You should consult an Academic Advisor in these faculties for the most current information on the requirements. For a list of minors available please visit: www.dal.ca/minors

Certificates

Management Students can pursue certificates as further specializations to their degree. For a full list of certificates available please visit: www.dal.ca/certificates

- Certificate in Entrepreneurship and Innovation
- Certificate in Fundamentals of Interdisciplinary Management
- Certificate in Leadership
- Certificate in Managing Data and Information
- Certificate in Marketing Management
- Certificate in Public Sector Management
- Certificate in Disability Management
- Certificate in Indigenous Studies
- Certificate in Intercultural Communication
- Certificate in Interdisciplinary Health Studies

Course Overloads

Course overloads happen when a student tries to take more than five courses a semester. This is only permitted if a student has a CGPA of 3.00 or greater, if not, they require special permission from the Program Administrator.

Illness/Medical Documentation

Students who have medical or personal circumstances affecting their studies are encouraged to meet with their Academic Advisor to assess the impact **before** it gets to a stage where a solution cannot be found. If you become sick and are unable to complete your course work, students are expected to communicate with the course instructor **before** the due date (consult your syllabus for the best way to contact the instructor) to ask for consideration of

accommodation. Short-term absences (3 days or less) also require you to submit completed [Student Declaration of Absence form](#) to their instructor. Only two (2) separate Student Declaration of Absence forms may be submitted per course during a term (note: faculty, college, school, instructor, or course-specific guidelines may set a lower maximum).

The submission of the form **does not guarantee accommodations, or provide an automatic exemption**, from any academic requirements that were missed or late during an absence. Any alternate coursework arrangements for missed or late academic requirements are at the discretion of individual course instructor(s).

Students who experience recurring short-term or long-term absences are strongly encouraged to meet with their Academic Advisor (uao@dal.ca). Supporting documentation may be required and is normally not accepted after a lapse of seven (7) days. Accommodations are not guaranteed and are at the discretion of the Instructor.

Transfer Credits

Transfer credits must be approved by the Registrar's Office in consultation with the Undergraduate Advising Office. A maximum of 20 half credits may be transferred into the Management Program. It is the student's responsibility to ensure that transfer credits are approved and accepted. Allow a minimum of 4-6 weeks for processing.

Academic Guidelines

University regulations give students the freedom to choose the timing and content of their education; however, with the increased freedom there is increased responsibility. It is the student's responsibility to be aware of and to follow the University's regulations and degree requirements. In all dealings with the administration, it will be assumed that the student has read and understood the policies and procedures contained in the Undergraduate Calendar and this student handbook.

The following is a summary of the regulations that most often affect undergraduate students:

Senate Regulations

In addition to the Faculty regulations, students are reminded that they must comply with the University regulations printed at the front of the Undergraduate Calendar. Particular attention should be paid to the [Student Code of Conduct](#) and the University Regulation that refers to Intellectual Honesty.

Intellectual Honesty

A university should characterize the quest for intellectual honesty. Failure to measure up to the quest for such a standard can entail either academic offences at one end of the spectrum, or substandard work warranting lowered or failing grades at the other. The seniority of the student concerned, the presence of dishonest intent, and other circumstances may be all relevant to the seriousness with which the matter is viewed.

Violations of intellectual honesty are offensive to the entire academic community, not just to the individual faculty member and students in whose class an offence occurs. The primary example of academic dishonesty is plagiarism.

Plagiarism

- Dalhousie University defines plagiarism as the presentation of the work of another author in such a way as to give one's reader reason to think it to be one's own. Plagiarism is a form of academic fraud.

- Plagiarism is a serious academic offence, which may lead to a loss of credit, suspension or expulsion from the university, or revocation of a degree at the very extreme.
- Plagiarism includes the use of material purchased from a commercial research corporation or prepared by any person other than the individual claiming to be the author.
- Self-plagiarism is the submission of work by a person, which is the same or substantially the same as work for which he or she has already received academic credit.

Academic Standing

A student's ability to continue in the Management Program is determined by assessing the student's grade point average (GPA). For more information, please refer to [University Regulation 17](#).

In general, students must maintain at least a C average (GPA of 2.00) to remain in Good Standing. A passing grade in each course does not necessarily constitute a C average. The penalties for poor grades can be severe and permanent. If academically dismissed, readmission to Dalhousie, or any other university, will depend on more than just an application and a copy of your transcript. Students will have to communicate an increased commitment to their university education.

Please refer to the following table for a GPA breakdown and explanation of what appears on your transcript.

Grade	Grade Point Value	Percentage	Definition
A +	4.30	90-100	Excellent
A	4.00	85-89	
A-	3.70	80-84	
B+	3.30	77-79	Good
B	3.00	73-76	
B-	2.70	70-72	
C+	2.30	65-69	Satisfactory
C	2.00	60-64	
C-	1.70	55-59	
D	1.00	50-54	Marginal Pass
FM	0.00	45.0-49.9	Marginal Failure*- used for Core Commerce Supplemental Exams: COMM 2202, 2203, 2303, 2310, 2401, 2501, 2502, 2603, 3501, 3511, 4351 & 4352 (note: not all listed will be eligible for supplemental exams)
F	0.00	0-49	Inadequate
INC	0.00		Incomplete
W	Neutral and no credit obtained		Withdrew after deadline
ILL	Neutral and no credit obtained		Compassionate reason, illness
P	Neutral		Pass
TR	Neutral		Transfer Credit on admission
Pending	Neutral		Grade not reported
MT	Neutral		Not Graded: Part of Multi-Term Course
CR	Neutral		GPA neutral grading option due to extenuating circumstances

NCR	Neutral		GPA neutral grading option due to extenuating circumstances
-----	---------	--	---

The Grade Point Average (GPA) is calculated by multiplying the grade points obtained in each class, in accordance with the scale above, by the number of credit hours of each class then dividing that sum by the total credit hours attempted. A “Term GPA” includes only those classes attempted in a single term and “Cumulative GPA” includes all classes attempted. Find out more about your GPA, and how to calculate [here](#).

Academic Standing

Students will be academically assessed once they have attempted 24.0 credit hours (8 half credits). The result of the assessment will mean the student is placed in good academic standing, on academic probation, or on academic dismissal. The following conditions apply:

Good Standing

- When assessed academically, students are in good academic standing and permitted to continue with their studies when maintaining a **CGPA** of at least 2.00.

Academic Probation

- When assessed academically, students with a CGPA of less than 2.00 and greater than or equal to 1.70 will be placed on Academic Probation.
- Students on academic probation are permitted to continue to register; however, must achieve a minimum **term GPA** of 2.00 (regardless of the number of credit hours attempted) each term while on academic probation.
- Students on academic probation who do not achieve the minimum term GPA of 2.00 will be academically dismissed.
- Students on academic probation are permitted to participate in their co-op work term, which includes the job search process.

Academic Dismissal

There are three ways in which to be academically dismissed from the university:

- When assessed academically, students whose CGPA is less than 1.70 will be academically dismissed for a 12-month period even if they have passed all courses.
- Students on academic probation (see academic probation section above) who do not achieve the minimum term GPA of 2.00 will be dismissed.
- Students who fail the same **required** course twice; or who fail their second attempt at the same work term (ie. students required to repeat the work component **and** submit a new academic report) will be dismissed (this regulation is currently suspended).

Items to note:

- Any course work completed while serving the dismissal period will not be transferred back to Dalhousie.
- Students on probation who have begun their work term and are subsequently dismissed will not receive credit for their work term or any other work completed while they are dismissed from the University. In some circumstances, students may also be required to leave their place of employment.
- Students who have been re-admitted after facing an academic dismissal will return on academic probation, regardless of the length of the dismissal period.
- Students dismissed for a second time will not normally be permitted to apply for readmission for three years.

Required Standing for Graduation

In order to qualify for graduation, candidates must have obtained a CGPA of at least 2.00. To graduate with distinction from the Management Program, graduates must have a CGPA of at least 3.70.

Additional Important Academic Regulation Listings

Regulations pertaining to the following (and other) procedures and problems are listed in the [Undergraduate Calendar](#) according to the regulation number (in parentheses).

- Withdrawing from Classes (Academic Regulations 5.2)
- Examinations and Tests (Academic Regulations 16.2)
- Incomplete Class Work (Academic Regulations 16.4)
- Correction of Errors in Recorded Grades (Academic Regulations 16.6)
- Reassessment of a Final Grade (Academic Regulations 16.7)
- Special Arrangements for Exams, Tests and Assignments (Illness) (Academic Regulations 16.8)
- Dean's List (Academic Regulations 23)
- Appeals (Academic Regulations 24)

Additional Information

Exchange Programs

We have many exchange opportunities for Commerce Co-op Students, which include full terms, part of terms, and field courses. Students typically participate in full term academic exchanges in the winter term of their third year and must have a CGPA greater than 2.50 to apply. For further information please connect with our [Global Experience Manager](#).

Scholarships & Bursaries

There are numerous in-course and external scholarships available throughout the academic year. Students are notified of the requirements and application deadlines through their Dalhousie email. Students wishing to learn more about scholarships and bursaries prior to being notified can consult the [Money Matters website](#).

Studying for Success Workshops, Coaching & Tutoring

If you need help with time management, improving your study skills, getting back on track, or any related issues, we recommend reaching out for academic support. The Study for Success program is located in room 426 of the Student Union Building. You can call 902.494.3077, email sfs@dal.ca, or drop by their office to see them in person. They offer a variety of free workshops designed to help students succeed. Visit www.dal.ca/sfs for more information. Note that while the workshops do not have costs associated, there are additional fees for hiring a tutor.

Accessibility Services

Students with permanent or temporary disabilities who would like to discuss an accommodation plan are advised to visit the Student Accessibility Centre in room G28 of the Killam Library. To schedule an appointment, students can call 902.494.2836 or email access@dal.ca. More information can be found at www.dal.ca/accessibility.

UPass

The UPass is a transit pass that allows full time Halifax-based Dal students to ride the conventional buses and ferries in the HRM from September 1 to April 30. For further information check out the website: [UPass Transit Pass](#)

All Bachelor of Management students have access to the Management Career Services (MCS) team. MCS is responsible for assisting students with career development guidance, the job search and recruitment process and for those completing the optional internship, work term preparation and monitoring of internship progress and success. Students can meet with a Career & Recruitment Specialist (CRS) at any time during their program for support as needed.

Why Visit a Career & Recruitment Specialist?

Career & Recruitment Specialists (CRS) work with students to guide them through the career exploration and job search activities for internships, summer and/or part time jobs, and jobs upon graduation. The skills, abilities and knowledge needed to succeed in the development of their careers will serve students well now, and in the future.

Career & Recruitment Specialists work with students individually or in group sessions to help with the following:

- Identifying students' strengths, interests, and priorities
- Helping students establish which career path and work environment is right for them
- Planning a job search strategy
- Writing effective resumes and cover letters
- Building and interacting with a network of contacts
- Preparing for interviews
- Providing support, advice, and monitoring of optional internships
- Providing job search assistance for graduating students

Optional Internship Program

We offer an optional internship for Bachelor of Management students. The internship takes place between academic year 3 and your final academic year. Management Career Services (MCS) develops relevant business opportunities and supports students throughout the internship process.

This optional internship is designed to offer you the opportunity to combine relevant job experience with classroom studies. Working with professionals in your chosen field, you will gain skills and experience to increase your employability after graduation.

An internship is a minimum of 32 weeks (approximately 8 months) of consecutive, full-time work experience related to your studies. Internships can be at large multi-national corporations or small offices, at a not-for-profit organization or a government department. The MCS team will support you through the internship application process and guide you in a targeted job search to find the right internship. You are welcome to consider a wide variety of locations, industries, and sectors in which you can do your internship. It can be in Nova Scotia, throughout Canada, and even abroad. *

Although internships are not guaranteed, MCS staff have much experience guiding students in finding work, and you will have access to many resources to assist you.

As part of the internship, **you will be required to participate in a preparatory course (MGMT 4895)** which will introduce and prepare you for the internship job search. The course is very practical in its approach and covers a wide variety of topics such as skill identification, resume and cover letter preparation, job search strategies and interviewing.

A positive evaluation from your internship employer, and your successful completion of an internship report will be required to receive academic credit for the internship.

** All students completing an internship outside of Canada must comply with Dalhousie's International Travel Policy and complete all required pre-departure activities **before** departing for the work term in an approved destination. For more information, go to: https://www.dal.ca/campus_life/ile/travel_abroad.html*

Benefits to You

Participate in the Bachelor of Management Internship Program to:

- Gain valuable and relevant work experience
- Finance your education (or reduce your debt)
- Develop transferable skills that employers require
- Practice essential job search skills
- Explore your career interests before graduation
- Get one full credit towards your degree
- Make connections (network with professionals)
- Focus your final year of study on your interests
- Assess a job role, organization, industry, and sector
- Make smarter future career choices
- Increase your market value (earn more upon graduation)

Eligibility

Bachelor of Management students currently in the second year of their program are eligible to apply for the Internship Program. Please meet with your Academic Advisor to see if you are eligible. To book an appointment please access our [online booking site](#), or visit Rowe 2086 in person, call 902.494.3710 or email uao@dal.ca.

Timeline

Students can gain 8 or 12 months of valuable full-time work experience. The internship will begin after your third year in the program and apply as 1-full credit towards your Bachelor of Management degree. With careful academic planning the 8-month internship can be completed within a four-year program. The internship option is viewed as a career investment, to build upon skills, professional experience, and connections, and enhance employability after graduation. Although you apply during your second year, the internship begins after your third year of study.

Important Information

- Students are assessed the regular per course fees for the internship to receive one full credit
- An additional internship fee of \$337.69 is charged to cover administrative costs and provision of MGMT 4895.
- Application dates will change. For up-to-date details, please visit the following [link](#).

More details will be provided to applicants. If you have any questions, please contact us as we are excited to help you take advantage of this unique opportunity.

Frequently Asked Questions

Questions	The Office(s) to go to:	Answer
Who should I talk to if I have questions about choosing a major, dropping a course, or if I am in academic difficulty?	Undergraduate Advising Office (UAO), Suite 2086 Kenneth C. Rowe Management Building	All questions and concerns regarding the academic component of your degree should be referred to the Undergraduate Advising Office.
Who do I contact for the internship program?	Management Career Services (MCS) Suite 2100 Kenneth C. Rowe Management Building	MCS helps students throughout the process of finding an internship; a member of the MCS team will be assigned to assist you. Book an appointment at myCareer.dal.ca > Management Career Services. Visit www.dal.ca/mcs to access our <i>myCareer</i> User Guide for Students.
When will I do my internship? And how long will it be?	MCS	The internship is approximately 8 or 12 months and takes place between the third and final year. It can be completed in Halifax, nationally or internationally. With careful planning an 8- month internship can be completed within the four-year period.
Do I have to declare a major in the Management Program?	UAO	It is not mandatory for students to declare a major in the Management Program; students can graduate with a general Bachelor of Management degree.
How many MGMT elective credits do I need for graduation?	UAO	Management students MUST complete a minimum of 3 MGMT electives.
How many OPEN elective credits do I need for graduation?	UAO	Management students are required to complete a total of 15 Open electives (half credits). Students are permitted to take up to six (half credits) at the 1000 level with the remaining nine (half credits) at the 2000 level or above.
Can I take Commerce electives?	UAO	Management students are permitted to take up to six (half credits) in commerce electives.
What is Brightspace?	UAO	This is the learning platform used by your instructors. You will find a course space for each class you are taking in a term. This is where you will find your syllabus, assignment guidelines, how you will submit your assignments, and other important components for your classes.
