

## **Environment, Sustainability and Society Major**

### **Students must complete the following courses:**

- SUST 1000.06: What is Sustainability? **OR** SUST 1001.06: A Sustainable Future\*
- SUST 2000.06: Local Governance **OR** SUST 2001.06: Global Environmental Governance
- SUST 3000.03: Environmental Decision Making **OR** MGMT/SUST 3702.03: Sustainable Industries

### **Work-Integrated Learning Requirement**

All BMgmt students with ESS as a Major subject must complete Work-Integrated Learning (WIL). This requirement may be satisfied with the following options:

- MGMT 4896.03: Management Internship I and MGMT 4897.03: Management Internship II. For details, visit [dal.ca/mcs/internship](http://dal.ca/mcs/internship) **OR**
- SUST 4001.03: Environment, Sustainability and Society Capstone Part 1 and SUST 4002.03: Environment, Sustainability and Society Capstone Part 2\*\* (SUST 4001 & 4002 also count below towards SUST Electives)

### **Students must complete the following electives:**

- Six credit hours SUST at 2000 level or above
- Six credit hours SUST at 3000 level or above (satisfied with SUST 4001 & 4002)
- Three credit hours SUST/ESS electives at the 3000 level or above

\* SUST 1000 or SUST 1001 satisfy the first year ESS Major requirement, however; SUST 1000 also satisfies the BMgmt writing requirement and can be more easily accommodated in the first year BMgmt schedule. SUST 1001 does not satisfy the BMgmt writing requirement.

\*\*SUST 4001 and SUST 4002 must be completed in consecutive fall and winter terms. Credit will not be granted for SUST 4001 without successful completion of SUST 4002. If taken instead of the Management Internship, SUST 4001 & 4002 satisfy six credit hours of SUST at 3000 level or above.
