## Elective Notes

- 1) Writing Requirement: The equivalent of 3 credit hours ( 1 half credits) chosen from the list of specific courses identified as Writing Classes in the Dalhousie Calendar.
- 2) Open Electives: The equivalent of 27 credit hours (9 half credits) chosen from all classes offered in the University; 15 credit hours (5 half credits) must be above the 1XXX level. Courses can be chosen from any subject area. There cannot be more than 12 credit hours (4 half credits) total of electives at the 1XXX level (this includes ALL elective categories)
- 3) MGMT/LEIS Electives: The equivalent of 6 credit hours (2 half credits) chosen from any MGMT or LEIS course not already required by the degree.
- 4) EDAI Elective: The equivalent of 3 credit hours (1 half credit) chosen from a specific list of courses listed below (all at the 2000 level or above)
- 5) IPHE 4900(00): Students in the Faculty of Health Professions must register for IPHE 4900 each term while registered in their respective degree program. This is a non-credit requirement that has no course fee. Students will take part in interprofessional collaborative learning experiences that will be outlined by the School each year.

Internship Requirement: The equivalent of 2.5 full credits (5 half credits) fulfills the internship requirement.

Honors: Students may apply for honors by November 15th of the year before their final year of the program. If accepted, students will proceed by taking LEIS 4101 in the subsequent winter term and LEIS 4102 in the fall of their final year. Both courses can count toward electives.

To be eligible for honors, students must have completed HAHF 3100/HLTH 3010 before or in the fall the term the application is due. A grade of B or higher in this course is required, as is a cumulative GPA of 3.70 over the previous 45 credit hours and a grade of B or higher in a course most relevant to their proposed thesis topic. To apply for honors, please see the HAHF academic advisor.

1st Aid/CPR: Please note that students starting the program as of September 2012 must ensure they have a minimum of Standard First Aid and Level C CPR current certification prior to going on internship. Students are responsible for obtaining this certification on their own and a copy of the certification will be required prior to obtaining internship approval.
