

Declaration of Authenticity – MBA Admissions Application

I confirm that all the admission documents within my application are my own and do not include any material (written or verbal) obtained from third parties or Artificial Intelligence, including but not limited to ChatGPT and Copilot.

If invited to complete an admissions interview, I confirm that I will not use any material (written or verbal) from third parties or Artificial Intelligence, including but not limited to ChatGPT and Copilot in my verbal and written responses within the interview.

I understand the verbal and written questions within the interview constitute part of my application which is property of Dalhousie University and is not to be shared or disclosed to unauthorized individuals.

I give permission to Dalhousie University and the MBA Program Office to review all aspects of my application including the admission documents and interview responses provided and ask that its confidentiality be respected.
