

Curriculum Vitae
WIESŁAWA DOMINIKA WRANIK
Professor, School of Public Administration
Associate Dean Research, Faculty of Management
Dalhousie University
dwl@dal.ca

EDUCATION

2005 PhD (Health Economics), University of Manitoba
1997 M.A. (Economics), University of Manitoba
1994 B.A. (Economics), University of Manitoba

PROFESSIONAL EXPERIENCE

2021 – present Professor, School of Public Administration
Dalhousie University, Halifax, NS

2021 (Aug-Dec) Visiting Researcher, College of Socio-Economics
SGH Warsaw School of Economics, Warszawa, Poland

2018 – present Member (Health Economist), Expert Review Committee
pan Canadian Oncology Drug Review
Canadian Agency for Drugs and Technologies in Health (CADTH)

2016 – present Associate Dean Research, Faculty on Management
Dalhousie University, Halifax, NS

2011 – 2021 Associate Professor, School of Public Administration
Dalhousie University, Halifax, NS

2017 – 2018 Research Fellow (Adiunkt Naukowy), College of Economic Analysis
SGH Warsaw School of Economics, Warszawa, Poland

2014 – 2016 Assistant Dean Research, Faculty on Management
Dalhousie University, Halifax, NS

2015 – 2018 Lead, Economic Guidance Panel, Pan-Canadian Oncology Drug Review
Canadian Agency for Drugs and Technologies in Health (CADTH)

2006 – 2011 Health Economist, Nova Scotia Cancer Systemic Therapy Policy Committee
Department of Health and Wellness, Nova Scotia

2005 – 2015 Principal consultant and owner
PeeK – Program Evaluation and Economic Consulting, Halifax, NS

2005 – 2011 Assistant Professor, School of Public Administration
Dalhousie University, Halifax, NS

2004 – 2005	Instructor, School of Public Administration Dalhousie University, Halifax, NS
2005 – 2010	Associate Consultant (Program Evaluation and Research), North South Inc., Halifax, NS
2000 – 2006	Associate Consultant (Program Evaluation), Romanow, Bear and Associates, Winnipeg, MB
1995 – 2004	Sessional Instructor, Department of Economics, University of Manitoba and Canadian Mennonite University, Winnipeg, MB
1998 – 1999	Course Content Specialist, Distance Education, University of Manitoba, Winnipeg, MB
1999 – 2003	Research Assistantships Department of Economics, University of Manitoba, Winnipeg, MB Department of Sociology, University of Manitoba, Winnipeg, MB International Institute of Sustainable Development, Winnipeg, MB

PROFESSIONAL AFFILIATIONS

2019 – present	Associate Scientist Maritime SPOR Support Unit (MSSU), Halifax NS
2019 – present	Associate, Jean Monnet European Union Center for Excellence Dalhousie University
2017 – present	Member, Centre for Genomics Enhanced Medicine Dalhousie University
2014 – present	Cross-Appointment, Department of Community Health and Epidemiology Dalhousie University
2015 – present	Cross-Appointment, PhD Program in Health Dalhousie University
2010 – present	Associate, Canadian Centre for Applied Research in Cancer Control (ARCC) Vancouver, BC

PUBLICATIONS

* Indicates a graduate student trainee as co-author.

RESEARCH GRANTS AND AWARDS

- 2022 – 2024 Social Sciences and Humanities Research Council (SSHRC), Insight Development Grant, \$67,000
Principal Investigator
Governing under uncertainty: does public service motivation boost job satisfaction and shield against burnout
(co-I: Isabelle Caron, Dana Kabat-Farr, Colin Conrad)
- 2022 – 2025 Social Sciences and Humanities Research Council (SSHRC), Insight Grant, \$243,227
Principal Investigator
Staying motivated: a life-course analysis of the career paths of Canadian public servants
(co-I: Isabelle Caron, Linda DeRiviere, Joan Grace, Rosemary McGowan, Maude Boulet, Sara Filbee)
- 2021 – 2024 Canadian Institutes for Health Research (CIHR), Team Grant: Indirect Socio-Economic Burden of Inherited Diseases, \$450,000
Co-Investigator
Living with cystic fibrosis in Canada: What does it really cost individuals, the healthcare system and society?
(PI: Sanja Stanojevic; co-I: Quon, Rabin, Sadatsafavi, Steele, Stephenson)
- 2020 – 2021 Canadian Institutes for Health Research (CIHR), Operating Grant: COVID-19 Research \$267,020
Co-Investigator
Dietary change during COVID-19: A population-based study in Atlantic Canada to build evidence for government economic and social policy responses
(PI: Catherine Mah; co-I: Brimblecobb, Foster, Fuller, Hajizadeh, Jago, Luongo, Peeters, Taylor)
- 2020 – 2024 Genome Canada, Genomics in Society Interdisciplinary Research Teams Competition \$2,517,839
Co-Investigator
Canadian Network for Learning Healthcare Systems and Cost-Effective 'Omic Innovation (CLEO)
(PIs: Dean Regier, Tania Bubela, Timothy Hanna)
- 2019 – 2021 Dalhousie Vice President Research and Innovation International Seed Grant \$5,000
Principal Investigator
Selecting drugs for reimbursement: How do we minimize error?
(co-I: Tomasz Pasiarski, Michał Jakubczyk, Mickael Hiligsmann, Tallal Younis)
- 2018 – 2019 Nova Scotia Health Research Foundation, Knowledge Sharing Support Award 10,000
Principal Investigator
An interactive web-tool to support the development of interdisciplinary primary care teams
(co-PI: Tara Sampalli, co-I: Mike Smit, Sheri Price, Rick Gibson, Susan Haydt)

2017 – 2018	<p>Polish National Centre for Science (Narodowe Centrum Nauki), POLONEZ 3 Research Fellowship \$130,000, approximate value <i>Evidence use in the allocation of health care budgets: A comparative study of drug reimbursement in Poland, Canada and Germany</i> Hosted by SGH Warsaw School of Economics, Warsaw, Poland</p>
2016 – 2018	<p>Dalhousie SSHRC Research Development Fund \$5,000 Principal Investigator <i>Gender and Public Service Motivation: The case of Dalhousie’s Master of Public Administration Program</i> (Co-I: Ed Ng, Susan Haydt, Rosemary McGowen)</p>
2016 – 2017	<p>Canadian Institutes for Health Research Knowledge Synthesis Grant \$100,000 Principal Investigator <i>How best to structure interdisciplinary primary care teams: A systematic review</i> (co-I: Adrian Levy, Alan Katz, Jill Hayden, Liesl Gambold, Robin Parker, Sheri Price, Ian Bower, Maryna Korchagina, Esther Suther, Jeanette Edwards)</p>
2016 – 2018	<p>Canadian Partnership Against Cancer \$798,707 Co-Investigator <i>Development of a pan-Canadian framework of public values and priorities to inform cancer drug funding decision-making</i> (PI: Stewart Peacock, co-I: Julia Abelson, Mike Burgess et al.)</p>
2015 – 2016	<p>Nova Scotia Health Research Foundation, Research Enterprise Development Initiative - Catalyst Award \$10,000 Principal Investigator <i>Expanding the scope and team of the study of Canadian Formulary Processes to include International Comparison and Researchers</i></p>
2013 – 2019	<p>Canadian Institute for Health Research, Partnerships in Health Systems Improvement \$369,375 Principal Investigator <i>AFFORD – Affordable eFfective eFficient Oncology Reimbursement Decisions</i> (co-PI: Jeff Hoch, co-I: Adrian Levy, Mona Sabharwal, Mark Dobrow, Liesl Gambold, Chris Skedgel, Stirling Bryan)</p>
2013 – 2014	<p>Canadian Institute for Health Research, Healthcare Renewal Policy Analysis \$135,203 Principal Investigator <i>3C&Q: Funding Interdisciplinary primary health care teams – collaboration, coordination, comprehensiveness and quality</i> (co-I: Alan Katz, Maryna Korchagina, Adrian Levy, Jeanette Edwards)</p>
2010 – 2013	<p>Nova Scotia Health Research Foundation Research Grant</p>

	\$99,745 Principal Investigator <i>The effects of economic incentives on the behaviour of physicians and patients, and the efficiency of the health care system in Nova Scotia</i> (co-I: Adrian Levy, David Zitner, Stephane Mechoulan)
2011-2013	CIHR – PHSI Planning, Meeting and Dissemination Grant \$13,500 Principal Investigator, <i>Evaluating physician payment programs: Standardized framework and its application to two Provinces</i> (co-I: Adrian Levy, Alan Katz, Raza Abidi, Stephane Mechoulan, Jeanette Edwards)
2011-2013	CIHR – PHSI Planning, Meeting and Dissemination Grant \$14,750 Principal Investigator, <i>Improving the use of economic evidence when adding drugs to public payer formularies in Canada</i> (co-PI: Adrian Levy, co-I: Jeffrey Hoch, Marlene Sellon, Judy McPhee, Carol Sawka)
2011 – 2012	Canadian Centre for Applied Research in Cancer Control \$13,128 Principal Investigator, <i>Understanding the gap between the expectations of economists and decision makers in the use of economic evidence for drug funding decisions.</i> (co-I: Adrian Levy, Ana Johnson)
2006 – 2009	Dalhousie University (\$3100), Research Development Start-Up Grant
1998 – 2001	University of Manitoba Graduate Scholarship (\$16,000 per annum)

RESEARCH CONTRACTS

2012	Alberta Health (\$25,000) Research Service Contract, Principal Investigator, Financing Options for Primary Care Networks in Alberta
2011	Agriculture and Agri-Foods Canada (\$15,000) Research Service Contract, Principal Investigator Data Collection in Program Evaluation Two-day workshop on August 29/30, 2011
2011	Public Health Agency of Canada (\$12,000) Research Service Contract, Principal Investigator Systematic Review: The implications of physician payments on public health
2011	Office of the Worker Counselor (\$8,000) Research Service Contract, Principal Investigator Partial Evaluation of the Worker Counselor Program
2008 - 2009	Public Health Agency of Canada (\$20,000) Research Service contract, Principal Investigator Assessment of context in public health policy

2007 Manitoba Health (\$45,000)
Research Service contract, Principal Investigator
Design of Quality Based Incentive Payments

CONFERENCE PRESENTATIONS

Wranik WD. Zubriski S. Hu M. (2020) The impact of patient input on health technology assessment and appraisal in Canada. European Health Economics Association – EUHEA annual conference. Oslo 2020. Accepted for presentation (the conference was cancelled due to COVID-19).

Wranik WD. Peacock S. Gambold L. (2020) Uncertainty tolerance among experts involved in drug reimbursement recommendations: Qualitative evidence from HTA committees in Canada and Europe. 2020 CADTH Symposium. Accepted for presentation (the symposium was cancelled due to COVID-19).

Wranik WD. Jakubczyk M. Drachal K. (2019) Ranking the criteria used in the selection of drugs for reimbursement: A stated preferences experiment with Health Technology Assessment stakeholders across jurisdictions. Canadian Centre for Applied Research in Cancer Control. Annual Conference. May 2019. Halifax, Nova Scotia

Wranik WD. Jakubczyk M. Drachal K. (2019) Ranking the criteria used in the selection of drugs for reimbursement: A stated preferences experiment with Health Technology Assessment stakeholders across jurisdictions. Canadian Association for Health Policy and Services Research. Annual Conference. May 2019. Halifax, Nova Scotia

Wranik WD. Jakubczyk M. Drachal K. (2018) The use of HTA and other information in drug reimbursement recommendations: A stated preferences study of stakeholders in drug review. European Health Economics Association Conference. July 2018. Maastricht, Netherlands.

Skedgel C. Wranik WD. Hu M. (2017). The relative importance of clinical, economics, social and organizational criteria in cancer drug reimbursement in Canada: a revealed preferences analysis of recommendations of the pan-Canadian Oncology Drug Review 2011-2016. Polish Pharmacoeconomic Society Annual Conference. December 2017. Warszawa, Poland.

Wranik WD. (2005) Estimating the efficiency of health systems using the stochastic frontier model. Oral presentation at the Canadian Health Economics Study Group. Toronto, Ontario.

Wranik WD. (2005) An economic model to create incentives for diagnostic effort in the physician patient encounter. Oral presentation at the International Health Economics Association Conference. Barcelona, Spain.

OTHER PRESENTATIONS

Wranik WD. (February 2019). The use of Health Technology Assessment in the appraisal of new (often rare) cancer drugs for public reimbursement. Research Presentation (Invited). CGEM – Centre for Genomics Enhanced Medicine. Dalhousie University. Halifax, Nova Scotia.

Wranik WD. Jakubczyk M. Zielińska D. Drachal K. (June 2018). The preferences of Health Technology Assessment committee members: the initial results of a mixed-methods study. ZWIAD (Decision Analysis Support Unit) seminar. SGH Warsaw School of Economics. Warszawa, Poland.

Wranik WD. (May 2018). The Canadian health care system: current issues in comparative perspective. Master of Business Administration – Invited lecture. SGH Warsaw School of Economics. Warszawa, Poland.

Wranik WD. Hoch J. Levy A. Chambers A. Dobrow M. Gambold L. Skedgel C. (March 2018) AFFORD – A study of the recommendation process of the pan-Canadian Oncology Drug Review (pCODR). ZWIAD (Decision Analysis Support Unit) seminar. SGH Warsaw School of Economics. Warszawa, Poland.

Wranik WD. (November 2017). Znaczenie danych naukowych dla alokacji środków finansowych w opiece zdrowotnej: analiza porównawcza procesów refundacji leków w Polsce, Kanadzie i Niemczech. AOTMiT. Agency for Health Technology Assessment and Tarrification. Warszawa, Poland.

Wranik WD. (December 2016) Cancer Drug Reimbursement Process in Canada. Research Presentation (Invited). Adam Mickiewicz University, Poznań, Poland.

WD. Wranik (2006) Health human resource models in Canada: a typology and its application. Health Informatics Seminar Series. Dalhousie University.

WD. Wranik (2005) Health system efficiency and its determinants. Community Health and Epidemiology Seminar. Dalhousie University

EDITORIAL AND REVIEW ACTIVITIES

2022 – 2023 Associate Editor
International Journal of Health Planning and Management

Conference Reviews

2012 – current International Health Economics Association – iHEA. Scientific Committee. Bi-annual participation the review of conference abstract submissions.

2017 – current International Health Economics Association – iHEA. Student Prize Committee. Invited member. Annual participation in the review of graduate student conference papers for the top paper prize.

2016 Canadian Centre for Applied Research in Cancer Control (ARCC). Annual Conference. Abstract review.

Grant Reviews

2019 - current New Frontiers Research Fund (NFRF) Exploration Stream. Review and adjudication of 2 competitions to date.

2019 – current Dalhousie Harmonized Scholarship, Doctoral Applications

2018 – current Canadian Institutes for Health Research (CIHR). College of Reviewers. Member. Institute for Health Services and Policy Research. Health Policy and Management Panel. Review and adjudication for 7 competitions to date.

- 2018 – current Dalhousie SSHRC Research Development Fund. Explore and Exchange Grants. Reviewer. 6 competitions to date.
- 2014 – 2015 Canadian Institutes for Health Research (CIHR). Health Research Training A – Post-PhD. Reviewer for post-doctoral fellowships. 2 competitions.
- 2011 – 2013 Canadian Institutes for Health Research (CIHR). Doctoral Research Awards B. Reviewer for doctoral fellowships. 4 competitions.

Journals (ad hoc review)

Value in Health; BMC Health Services Research; Canadian Medical Association Journal; Canadian Public Policy; Current Oncology; Health Policy; Health Care Management Science; International Journal of Health Care Finance and Economics; Southern Economics Journal

OTHER ACADEMIC ACTIVITIES/ EVENTS

- 2020 Tri-Agency Grants Management Solution (TGMS). External Change Agent Network (ECAN). Dalhousie Representative on this new Canada-wide initiative.
- 2020 International Health Economics Association – iHEA. Regional Committee for the iHEA 2020 Strategic Review. Invited member. One-time participation in strategic planning for the organization.
- 2019 Canadian Center for Applied Research in Cancer Control - ARCC. Co-Chair (with Dr. Tallal Younis) for the Annual ARCC Conference. 2019 in Halifax, Nova Scotia.
- 2019 Wranik W. Jakubczyk M. Hiligsmann M. Younis T. Kosycarz W. Pasierski T. (May 2019). Uncertainty, Health Technologies Assessment and drug reimbursement. Research Planning Meeting. SGH Warsaw School of Economics. Warszawa, Poland.
- 2018 Wranik WD. Wranik WD. Jakubczyk M. Zielińska D. Drachal K. (June 2018). Research Roundtable. Evidence use in the allocation of health care budgets: A comparative study of drug reimbursement processes. SGH Warsaw School of Economics. Warszawa, Poland.
- 2016 Wranik WD. Skedgel C. Research Planning Meeting. (February 2016). Understanding information use in multi-criteria policy decision contexts: The case of drug reimbursement in selected OECF health care systems. Organized at SGH Warsaw School of Economics.
- 2014 Wranik WD. Korchagina M. Edwards J. Levy A. (October 2014). Two Day Research Roundtable. Funding, Remuneration and Governance of Interdisciplinary Primary Healthcare Teams. Dalhousie University. Halifax, Nova Scotia.
- 2012 Canadian Evaluation Society. Annual Conference. Local organizing committee, program design and abstract review.

DALHOUSIE ADMINISTRATIVE SERVICE

- 2023 – present Dalhousie Core Facilities Advisory Committee (new)
- 2021 – present Senate Academic Programs Review Committee (non-voting)

2021 – present	Dalhousie Open Research Committee (ad-hoc)
2021 – present	Faculty of Management, Strategic Implementation Cluster 6, Chair
2020 – present	Faculty of Management, Structure Committee
2018 – present	Faculty of Management, Tenure and Promotions Committee
2020 – 2022	Faculty of Management, Structure Committee
2018 – 2019	Faculty of Management, Imagining the Future Committee (aka. Problems Committee)
2019 – 2020	Faculty of Management, Memorandum of Understanding with SGH Warsaw School of Economics, Leadership of the process withing Dalhousie
2019	Faculty of Management, Appointments and Review Committee (Manning Chair), Chair
2016 – present	Faculty of Management, Associate Dean Research
2016 – present	Faculty of Management, Academic Integrity Officer
2017	Faculty of Management, Constitution Review Committee
2016	Faculty of Management, Appointments and Review Committee (Black Chair), Chair
2013 – 2016	Faculty of Management, Assistant Dean Research
2011 – 2016	School of Public Administration Graduate Coordinator
2011 – 2016	School of Public Administration Admissions Committee
2013 – 2016	Faculty of Management, Tenure and Promotions Committee
2013 – 2017	School of Public Administration, Hiring Committee
2011 – present	School of Public Administration Research Lead
2012	Faculty of Management, SPA Directorship Search Committee
2012	Faculty of Management, Constitution Review Committee
2011	Faculty of Management, Associate Dean (Academic) Search Committee
2011	Faculty of Management Information Technology Committee
