Research interests:

- Canadian politics
- Political parties & party systems
- Political psychology
- Gender and representation

Interesting honours topic to supervise:

I am open to supervising a range of topics so long as they are interesting, creative, and related to one of my broad research interests.

Previously supervised topics:

As a new(ish) faculty member in the department I have not yet supervised any honours students at Dalhousie. I am, however, supervising a MA thesis regarding the relationship between local media health and municipal voter turnout in Canada.

Favourite hobbies:

Does watching *Dora the Explorer* with my daughters count as a hobby?

How often do you check your emails?

Too often...
