

Application to Reduce Salary for a Research Grant, According to DFA Clause 32.15

This application applies to the following program: Application to reduce salary for a research grant, based on DFA Clause 32.15, which states that DFA members who are not on leave may apply for a research grant of up to one year's duration.

Instructions:

1. Submit the completed form through the ROMEO Researcher Portal. Applications must be received by the Office of Research Services a minimum of three weeks prior to the first day of the month for which the award is designated.
 - a. Select and complete the Investigator Checklist, and upload the form to the Attachments tab.
 - b. Departmental and Faculty approval is required to confirm that the proposed budget aligns with research plans.

2. Complete the form and budget table below.
 - a. Dalhousie Financial Services policies apply to the research costs. Please refer to the Canada Revenue Agency for Income Tax related information (as per **Income Tax Folio S1-F2-C3**). Please note that the funds are issued through payroll and not as a Dalhousie research account.
 - b. All required certifications (for example, human ethics, biosafety and animal care) must be in place at the time of application.
