# RTI Updates from Recent Competitions

- Confirmation of Financial Contribution documents no longer need to be submitted to NSERC **[New in 2021]**
- Additional instructions to specify correct tax and exchange rates in the budget justification **[New in 2021]**
- Changes to RTI selection criteria:
  - Moved from 5 equally weighted criteria to 3 weighted criteria
  - Added equity, diversity, and inclusion considerations
- Clarified language around eligibility to apply for and hold RTI grants

# Program Description

- The RTI Grants Program is a 1-year award that provides the primary avenue for university researchers in the NSE to obtain up to \$150,000 in support for research tools and instruments with a net\* cost between \$7,001 and \$250,000.
- RTI applications must be for the purchase, repair, rental, or manufacturing of equipment that is not readily available off the shelf.

\*Here, net cost is defined as the purchase cost of the equipment after any discount from the vendor and before taxes, customs and importation fees, transportation and shipping charges, and assembly and installation costs.

## Program Description (cont.)

- The vendor discount must be free of conditions, restrictions or limitations (e.g., cannot be offered in exchange for services from users benefiting the vendor company);
- The research community is also encouraged to explore other avenues for funding research tools and instruments, including NSERC's other programs that allow the purchase of equipment as eligible expenses, such as the Discovery Grants program.

# Eligibility of Application

## **NSERC will only accept requests for:**

- tools and instruments that form a comprehensive system\* intended to support NSERC-funded research in the natural sciences and engineering. Requests that bundle unrelated tools and instruments together will not be accepted
- the purchase of new, used or refurbished equipment, for the repair, upgrade or rental of equipment, or for the fabrication of equipment that is not readily available off the shelf.

\*A comprehensive system is one in which each tool or instrument forms part of an integrated system of operation to support the research program(s).

## Program Information

### Equity, Diversity and Inclusion

Natural Sciences and Engineering  
Research Council of Canada

Conseil de recherches en sciences  
naturelles et en génie du Canada

Canada

# Equity, Diversity and Inclusion

- Applicants are encouraged to increase the inclusion and advancement of under-represented and disadvantaged groups in the natural sciences and engineering as one way to enhance excellence in research and training.
- Equity, diversity and inclusion considerations should be developed into the rationale of the composition of research teams and trainees.
- For more information, applicants should refer to the [Guide for Applicants: Considering equity, diversity and inclusion in your application.](#)

# How to Apply for the Research Tools and Instruments Grants Program

## Program Information Eligibility and Use of Funds

Natural Sciences and Engineering  
Research Council of Canada

Conseil de recherches en sciences  
naturelles et en génie du Canada

# Use of Funds

- RTI grants must be used only for the specific type of equipment for which the grant was awarded.
- Grantees may, however, buy a model different from that requested in the application without prior NSERC approval (e.g., newer or upgraded model).
- Grantees who wish to purchase equipment different from that specified in the application must obtain written permission from [NSERC Finance](#) prior to its purchase.

# Eligibility to Apply For and Hold Funds

To be eligible to apply for and to hold RTI funds, applicants and co-applicants must each:

- meet [NSERC's Eligibility Criteria for Faculty](#); and
- hold at least one of the following NSERC grants:
  - Discovery Grant
  - Discovery Development Grant
  - Alliance Grant
  - Strategic Partnerships Grant
  - Collaborative Research and Development Grant
  - Industrial Research Chair
  - Canada Research Chair
  - Canada Excellence Research Chair
  - Canada 150 Research Chair
- Applicants and co-applicants may apply for any of the above grants while concurrently applying to the RTI program. However, if any applicant or co-applicant does not hold one of the above grants by the RTI award start date, or is not successful in obtaining one of these grants while concurrently applying to the RTI program, the applicant and/or co-applicant will be deemed ineligible and removed from the application.

**Note:** Adjunct professors with a full-time position in industry or government may only be co-applicants. 15

# General Information

- Researchers can submit one RTI application per competition, either as an applicant or a co-applicant, but not both.
- To apply, applicants must submit an Application for the Research Tools and Instruments grant program through the [Research Portal](#) by the deadline date.
- Each applicant and co-applicant must also complete a Canadian Common CV (CCV) and link it to the application.

# RTI Applicant Team Composition

- Teams should strive for a diverse group of co-applicants and major users, including balanced gender representation.
- Equity, diversity and inclusion considerations should be reflected in the rationale of the team composition and where applicable, in the designated roles within the team.
- For more information, refer to the [Guide for Applicants: Considering equity, diversity and inclusion in your application](#) (questions 1 to 4).

# Attachment Guidelines

- If applicable, applicants should include two (2) recent quotations for any individual item(s) over \$25,000 (before taxes) or for any system(s) to be purchased from a single supplier and costing more than \$25,000 (before taxes).
- Attachments that do not adhere to the guidelines should not be included and may be removed.

# Review Procedures

- Applications for RTI grants submitted to NSERC are reviewed by experts on a competitive basis. Experts on NSERC RTI Selection Committees follow the guidelines in the [Research Tools and Instruments Peer Review Manual](#).
- Applications to the RTI program are assessed on the basis of three weighted selection criteria. The onus is on the applicant to thoroughly address each criterion in the application and to provide detailed information to allow reviewers to make their assessments.

# RTI Selection Criteria [weighting]

1. The need, urgency and suitability of equipment for the research program(s) [40%]
2. Merit of the proposed research program(s) supported by the equipment and excellence of the applicant(s) [40%]
3. Importance of the equipment for the training of highly qualified personnel [20%]

# 1. Need, Urgency and Suitability of Equipment for the Research Programs\* [40%]

- demonstration the equipment is essential for the research, and there are no other more cost-effective ways of obtaining results;
- availability of similar equipment/ facilities/ services in the vicinity;
- the impact of a delay in acquisition of equipment on the research and the pace of research progress;
- need to upgrade or replace obsolete or failed equipment; and
- degree of utilization of the equipment by the applicant(s) and other users.

\*If you anticipate use by or benefit to other sectors, describe the support secured from these sources or demonstrate the efforts made to obtain such support.

## 2. Merit of the Proposed Research Program(s) Supported by the Equipment and Excellence of the Applicant(s) [40%]

- quality and significance of research programs, including potential major advances and impact in the discipline as a result of the equipment;
- feasibility of the plan to use the equipment;
- the excellence of the applicant(s), including scientific or engineering calibre of the applicant(s) and extent to which the applicant(s) has relevant experience and demonstrated ability to fully use the equipment; and
- consideration of equity, diversity and inclusion in the rationale of the team composition (applicant, co-applicant(s), and major users).

### 3. Importance of the Equipment for the Training of Highly Qualified Personnel (HQP) [20%]

- the quality and extent of the training;
- opportunity for hands-on training;
- potential to provide marketable skills for students training on the equipment; and
- consideration of equity, diversity and inclusion in the training of HQP.

# Evaluation Process Overview (Cont.)

- There are no face-to-face meetings. Cases that need further input from the Chairs and members are resolved before the Committee's ranked list is finalized (e.g.: subject matter eligibility, eligibility of equipment, or partial awards).
- NSERC provides each applicant with a Competition Results document that contains the average scores for each criteria, the average weighted total and the rank.

# Before You Start

- Read the [Program Description](#) before you complete the application.
- Consult the [Eligibility Criteria for Faculty](#) to ensure that you can participate in this grant program as an applicant or a co-applicant.
- The applicant and co-applicant(s) must complete their respective sections of the application as per the instructions, using the [Research Portal](#). In addition, an NSERC [Canadian Common CV](#) (CCV) must be completed by the applicant and each co-applicant and be linked to the application.

# RTI Application Cycle

## Before October 25

- Applicants and Co-applicants prepare submissions and meet internal deadlines

## October 25\*

- Deadline to Submit application to NSERC via [Research Portal](#)

## Early December

- Selection Committee members receive applications

## December – End of January

- Members review applications

## April

- NSERC provides results to applicants

# Collection and Use of Personal Information

- The information you provide in your application is collected under the authority of the *Natural Sciences and Engineering Research Council Act* and stored in a series of NSERC data banks described in [Information about programs and information holdings](#).
- Details on the use and disclosure of this information are described in [Use and Disclosure of Personal Information Provided to NSERC](#), in the NSERC program literature.
- The personal information is used in accordance with the [Access to Information Act and the Privacy Act](#).

# Self-Identification

## Why we are asking you to self-identify

Equity, diversity and inclusivity (EDI) strengthen research communities and the quality, social relevance and impact of research. See the Presidents' [Open Letter to the Research Community](#).

The questions are primarily based on the current standard used by Statistics Canada in the Census, and wording from the [Employment Equity Act](#). If you have comments or suggestions regarding this data collection, please send to the relevant agency at:

NSERC: ✉ [nseequity-equitesng@nserc-crsng.gc.ca](mailto:nseequity-equitesng@nserc-crsng.gc.ca)

**Disabilities**

Do you identify as a person with a disability?

Note: Person with a disability is a person who has a long-term or recurring physical, mental, sensory, psychiatric or learning impairment and:

- Who considers themselves to be disadvantaged in employment by reason of that impairment, or
- Who believes that an employer or potential employer is likely to consider them to be disadvantaged in employment by reason of that impairment; and
- Includes persons whose functional limitations owing to their impairment may have been accommodated in their current job or workplace.

**Visible Minorities**

Do you identify as a member of a visible minority in Canada?

# Quotations

## Two files with a size limit of 10 MB each.

- You must provide two (2) recent quotations for any individual item(s) over \$25,000 net\* or for any system(s) to be purchased from a single supplier and costing over \$25,000 net\*.
- If the required number of quotations cannot reasonably be submitted, you must provide a clear justification in the Budget Justification section.
- The application may be rejected if the quotations or the justification are not submitted with the application.

\*Net cost is defined as the purchase cost of the equipment after any discount from the vendor and before taxes, customs and importation fees, transportation and shipping charges, and assembly and installation costs.

# Attach the Budget Justification

The screenshot shows the 'Attachment Upload' page in the Research Portal. The page title is 'Attachment Upload' and the breadcrumb is 'Home > Application Overview > Attachment Upload'. A red box highlights the 'Budget Justification' tab. The 'Add Attachment' section shows a green success message: 'File successfully uploaded'. Below this, the 'Title (required)' field contains 'Flux Capacitor for Time Travel'. The 'File' field is empty, with a 'Browse' button next to it. An 'Upload' button is also present. The 'Uploaded Attachment' table shows one entry: 'Flux Capacitor for Time Travel' uploaded on 01/08/2017 at 12:03:43 PM, with a 'Delete' button. A 'Note' box in the bottom left contains instructions for budget justifications. A 'Back to Application Overview' button is at the bottom right.

**Note:**

- All expenditures must be in Canadian dollars
- Use exchange rate consistent with Bank of Canada at time of application
- Use tax rates used by your institution

# Budget Justification

## Limit of **two** pages.

- This section must only contain information pertinent to the budget and relationship to other research support.
- Provide a detailed explanation and justification for each budget item identified in the Proposed Expenditures page. Provide sufficient information to allow reviewers to assess whether the items requested are appropriate, including details on models or manufacturers.
- Ensure that you include two quotations, when applicable. Provide a clear justification if the number of quotations required cannot be provided (refer to Quotations section under Attachments).

**Note:** All proposed expenditures, including quotations, must be in Canadian dollars. To convert to Canadian currency, you must use an exchange rate consistent with the Bank of Canada rate at the time of application. Ensure that tax rates (i.e., applicable exemptions or rebates) used in the budget are consistent with the tax rates used by your institution. Failure to use the above described exchange rate and/or tax rate(s), or the addition of any other line item in the budget intended to cover fluctuations in cost, may result in a revised award amount.

# Budget Table Template

Item	Quantity	Cost per unit in original currency	Exchange rate	Total cost in Canadian dollars
Subtotal:				
Institutional tax rate (%):				
Total tax:				
Total cost:				
Total confirmed from other source(s):				
Total requested from NSERC:				

# Relationship to Other Research Support

- Provide sufficient information to enable the reviewers to assess the relationship between the equipment requested in this application and other relevant research funds held or applied for, including those of any co-applicants.
- These funds can include grants and contributions from funding agencies, organizations, the private sector, institution start-up funds, research chairs, the primary place of employment (for adjunct professors) and other institutional research support. This is in keeping with the language used in the peer review manual.
- Demonstrate that the funds requested in the RTI application will be for expenses that are distinct from those covered by support (in kind or cash) from other sources. For funding applied for, you must demonstrate that there will be no duplication of funding for the same expense(s) by explaining how funds will be used if all applications are successful.

# Inviting Co-applicants

Include only major users, such as those who frequently use the equipment, as co-applicants. There is no typical number of co-applicants.

The screenshot displays a web application interface with three main sections:

- Attachments:** A table with columns: Status, Title, Document Type, Updated, and Action. It lists four items: 'Flux Capacitor for Time Travel' (Proposal, 2017-08-01 12:03:43, Edit/View), 'Budget Justification' (2017-08-01 11:29:32, Attach), 'Quotation 1' (2017-08-01 11:29:32, Attach), and 'Quotation 2' (2017-08-01 11:29:32, Attach).
- Export:** A button labeled 'Export application and attachments to PDF'.
- Canadian Common CVs Attached:** A table with columns: Status, Title, Role, Updated, and Action. It lists one item: 'Applicant' (2017-08-01 11:29:32, Attach).
- Invitations:** A table with columns: Status, Role, Family Name, First Name, Email, Invitation Status, Updated, and Action. It lists one item: 'Co-applicant' (Attrell, raa1@nserc-crsng.gc.ca, Invitation sent but not yet accepted., 2017-08-04 09:40:46).

A green arrow points from the bottom of the 'Invitations' table to a 'Manage Invitations' button.

# Information Required From Co-applicants

- In addition to information that must be provided to the applicant for the proposal, co-applicants must accept the invitation as specified in the invitation email. In the Research Portal, complete the Eligibility Profile, provide the number of hours per month to be devoted to the use of the equipment, and upload your NSERC CCV.
- A **Submit** button will be displayed once you have validated the information and uploaded your NSERC CCV. Select **Submit** to send your part of the application to the applicant.
- Once co-applicants complete their portions and select **Submit**, the applicant will see the status of the co-applicant invitations change from “Invitation sent” to “Invitation accepted and completed” and a green check mark will appear in the Status column.

**Note:** Co-applicants (except those from the applicant's institution) must advise the authorized officer of their organization that the applicant, or the applicant's institution, will be seeking their authorized officer's signature and agreement to the co-applicant's participation before the application is submitted to NSERC.

# Common CV

The **applicant** and **each** of the **co-applicants** must submit a CCV. To begin, in the **Application Overview** page, click on **Attach**.

# Accept Terms and Conditions

## Accept Terms and Conditions

 Sign out

You are in the process of submitting your application. Please read and accept or decline the terms and conditions below:

### TERMS AND CONDITIONS OF APPLYING

Before you, as an applicant, submit your application to NSERC, or as a co-applicant, accept the invitation to participate on the application, you must read and agree to the following terms and conditions.

**By clicking on the I ACCEPT button below, you are certifying that:**

- You have provided true, complete, accurate information in your funding application and related documents, and you have represented yourself, your research and your accomplishments in a manner consistent with the norms of the relevant field.
- If you are the applicant, you have ensured that others listed on the application have agreed to be included in the application.
- If you are a co-applicant, you agree that the applicant will administer the grant/award on behalf of the group/team.
- You are not currently ineligible to apply for and/or hold funds from NSERC, the Social Sciences and Humanities Research Council (SSHRC), or the Canadian Institutes of Health Research (CIHR), or any other research or research funding organization worldwide for reasons of breach of policies on responsible conduct of research, such as ethics, integrity or financial management policies. If at any time you become ineligible for any of these reasons, you will advise your institutional officials and NSERC immediately, in writing.
- You have read, understood and agree to comply with the [Tri-Agency Framework: Responsible Conduct of Research](#) both in the submission of your application and in carrying out the research and related activities funded by NSERC.
- If you are or have been (at any time during the past 12 months) a federal public servant, you have complied with and will continue to respect the [Values and Ethics Code for the Public Sector](#).
- Consent has been obtained from trainees to include limited personal information about them in the application.
- You understand the [Access to Information Act and the Privacy Act \(ATIP\)](#) and the [Use and Disclosure of Personal Information Provided to NSERC](#) as they pertain to your information.
- You consent to the sharing among the three federal granting agencies (NSERC, SSHRC and CIHR) and with any academic institution to which you are, or may become, affiliated, of any and all information, including personal information, in any way related to the application and to the grant/award.
- In the event of any change in your eligibility status, you will inform NSERC and your institutional officials immediately, in writing.

**By clicking on the I ACCEPT button below, you are also confirming that, during tenure of the grant/award, you will comply with the terms and conditions of the grant/award.**

**Consent to Disclosure of Personal Information:** You understand that maintaining public trust in the integrity of researchers is fundamental to building a knowledge-based society. By submitting any application, by accepting an invitation to participate as a co-applicant on an application, or by accepting funding from CIHR, NSERC and/or SSHRC, you affirm that you have read and you agree to respect all the policies of these agencies that are relevant to your research, including the [Tri-Agency Framework: Responsible Conduct of Research](#). In cases of a serious breach of agency policy, the agency may publicly disclose any information relevant to the breach that is in the public interest, including your name, the nature of the breach, the institution where you were employed at the time of the breach, the institution where you are currently employed, and the recourse imposed against you. You accept this as a condition of applying for, or receiving, agency funding, and you consent to such disclosure. If you do not agree to the disclosure of your personal information, you cannot participate in this application. For further information, see the [Consent to Disclosure of Personal Information - Frequently Asked Questions](#).

### CONFIRMATION OF ACCEPTANCE BY APPLICANT AND CO-APPLICANTS

If you have any concerns about your ability to comply with the terms and conditions listed above, contact your institutional official or NSERC staff responsible for the program immediately. Do not agree to the terms and conditions, do not submit your application or do not accept the invitation to participate on an application until you are certain that you can and will comply with all of the requirements.

***I confirm the truth of all statements made by me in this application, and agree to all of the terms, conditions, responsibilities and obligations as set out above. I understand that my electronic acceptance of the above constitutes my legal signature.***
