CIHR needs your help!
Can you peer review applications in French?

CIHR NEEDS YOUR HELP! CAN YOU PEER REVIEW APPLICATIONS IN FRENCH?

If you or someone you know can peer review applications in French, we hope you'll consider joining or nominating someone for the CIHR College of Reviewers.

All peer reviewers are welcome, but CIHR has a particular need for clinician scientists and experts in the following areas:

- Cancer
- Cardiovascular, respiratory and circulatory systems
- Digestive, endocrine and excretory systems
- Health services and systems
- Indigenous health
- Methods development and modelling
- Population and health

**12-25 years old?
Interested in
health topics?**

**Apply to join our
youth advisory
council!**

RECRUITMENT FOR CIHR-IHDCYH'S YOUTH ADVISORY COUNCIL IS OPEN!

CIHR's Institute of Human Development, Child and Youth Health is recruiting youth advisory council members ages 12-25.

The council brings the youth voice directly into conversations about priority development, policies and issues that impact Canadian communities from coast to coast to coast.

Deadline: May 8, 2022. | [Apply online](#)

DEADLINE EXTENDED: CIHR IS LOOKING FOR MEMBERS FOR TWO NEW STANDING COMMITTEES

Help shape our science policy by applying to the Standing Committee on Science.

[Apply by May 20, 2022](#)

Help shape the work of our 13 Institutes by applying to the Standing Committee on Institutes.

[Apply by May 27, 2022](#)

Members from all communities are encouraged to apply, especially those from groups historically underrepresented in research, including Black, Indigenous, and racialized communities; LGBTQ2S+ communities; Francophone communities; and persons with disabilities.

Integrated Youth Services Network of Networks (IYS-Net)

INTRODUCING THE INTEGRATED YOUTH SERVICES NETWORK OF NETWORKS (IYS-NET)

CIHR and the Graham Boeckh Foundation have come together to fund research and create the **Integrated Youth Services Network of Networks (IYS-Net)** initiative. IYS-Net will enable research and collaboration across Canada to integrate evidence into policy, practice and decision-making so youth have equitable access to the services they need, when they need it.

Dr. Gillian Strudwick and Dr. Michael Wilson

2021 RISING STAR AND ROBYN TAMBLYN AWARDS

Congratulations to Dr. Gillian Strudwick and Dr. Michael Wilson, recipients of the 2021 [Rising Star Early Career Award in Health Service and Policy Research](#) and the [Robyn Tamblin Health Services and Policy Research Innovator Award](#) respectively. Awarded by the Institute of Health Services and Policy Research, these prizes recognize Dr. Strudwick and Michael Wilson's research excellence and innovation in health services and policy research.

CIHR NOMINATION SELECTED FOR GOVERNOR GENERAL'S INNOVATION AWARD!

Congratulations to Dr. Cullis, Dr. Hope, and Dr. Madden on receiving one of this year's six [Governor General's Innovation Award](#) for their work in developing lipid nanoparticle systems. This work led to the COVID-19 mRNA vaccines we have today!

THERE'S STILL TIME TO APPLY – INSTITUTE ADVISORY BOARD MEMBERS WANTED

Help advise CIHR's Scientific Directors and have a say in Institutes' research priorities. Apply today to become a member of one of CIHR's Institute Advisory Boards.

Applications will be accepted until May 2, 2022.
