

PRACTICAL INTRODUCTION TO HORIZON EUROPE

Webinar for Canadian
universities and researchers

Consulate General of the Czech Republic
in Toronto

AMIRES

The Consulate General of the Czech Republic in Toronto and AMIRES invite you to a workshop about opportunities under the Horizon Europe programme, including practical tips and advice about preparation of projects and consortia.

The participants will learn about:

1. Details of the Horizon Europe programme (including clusters, calls and projects).
2. Why and how to get involved in Horizon Europe.
3. Available support and tips for successful projects

AMIRES

AMIRES is a consulting company for research, development and innovation projects. Our core business is in proposal preparation and project management of projects funded by the European Commission in the Horizon Europe programme, where we boast 15 years of experience, proven track record and high success rates. We mostly focus on large, industry-driven, multinational and multistakeholder projects with profound societal, environmental and economic impact. Our team is structured in three programmes – Health & Biotech, Energy & Sustainability and DeepTech.
