

BrightRed Student Research Awards Program 2017/18 Application Form

Section I. Personal information

Surname:		Given names:	
Mailing address:			
Town/City:	Province:	Postal code:	
Home phone:	Work phone:	Email address:	
Degrees/diplomas held:			
	<i>Subject</i>	<i>Year of Graduation</i>	<i>Institution</i>
Diploma:			
Bachelor's:			
Master's:			
Doctoral:			
(if applicable) Health professional designation:			

Section II. Current research training and support

Indicate level of training for which you are applying for a <i>BrightRed</i> Student Research Award:			
Master's <input type="checkbox"/>	Doctoral <input type="checkbox"/>	Postdoctoral fellow <input type="checkbox"/>	Doctor of Medicine <input type="checkbox"/>
Degree sought:		Is this a full-time program of study? Yes <input type="checkbox"/> No <input type="checkbox"/>	
University:	Department:	Start date:	Anticipated date of completion:
Primary supervisor for research training:			
Title of proposed research:			
Please list all current research awards/grants received:			
<i>Name of award:</i>	<i>Funding source:</i>	<i>Tenure of award:</i>	

Section III. Description of proposed research

Please attach an overview of your proposed research including a brief literature review and rationale for study; objective(s) and/or hypothesis (es); methodology; methods (including data analysis). Briefly explain how your study is relevant to the Heart and Stroke Foundation, its mission and strategic priorities.

Please limit your description to a maximum of 2 pages, 12-font, single-spaced, margins no less than 1 inch (2.54 cm). Additional pages may be used for references. Please number all pages in sequential order, title this attachment as "SECTION III", and be sure to include your project title and full name.

Section III: Description of proposed research with references is attached for submission.

Section IV. Lay summary of proposed research

Please attach a lay summary of your proposed research. This should be written in non-scientific, everyday language at a grade 10 reading level. Use analogies, simplifications and generalizations rather than scientific and technical terms so that an audience unfamiliar with your research understands it.

Please limit your summary to a maximum of 250 words, 12-font, single-spaced, margins no less than 1 inch (2.54 cm). Please title this attachment as "SECTION IV" and be sure to include your project title and full name.

Section IV: Lay summary of proposed research is attached for submission.

Other (checklist)

CV (attached)

Official academic transcripts are included from all periods of study

Supervisor assessment form (one sealed and signed form, included)

The applicant hereby covenants and agrees with Heart & Stroke to comply with, and be bound by, all the provisions contained in the *BrightRed* Student Research Awards Program regulations (with which they are familiar). The applicant certifies that the information contained in this application and attachments is true and that no material fact has been withheld. The applicant certifies that they are a Canadian citizen, landed immigrant, and will reside in Nova Scotia (for the duration of the award) with a valid work or student visa.

The applicant agrees to regular communication, either initiated by Heart & Stroke or the applicant, in order to monitor progress of studies funded, either wholly or in part, by funds allocated from the *BrightRed* Student Research Awards Program.
