

# 2016 Celebration of Innovation Symposium

**Oct. 19 at 9am: 1344 Summer St.**

Dalhousie University and the Ernest C. Manning Foundation are pleased to invite you to the annual Celebration of Innovation Symposium **#DALinnovates**

For the past 35 years the Ernest C. Manning Awards Foundation has created a culture of Canadian innovation. The foundation discovers, honours and rewards Canadian innovators – and tells their stories.

Students, faculty and community members are invited to meet this year's award winners and hear their 8-minute stories about the pathways taken to become nationally recognized innovators.

All are welcome, attire is business casual, and attendance is free. Register now at:
