## GreyLit

*The Missing Piece in Your Decision Making*

Speaker: Cora Cole, CEO, GreyLit.Net & Dr. Lori Wozney, Research Associate,  
Centre for Research in Family Health

1. How does GreyLit find content to use in its platform?  
Is it all uploaded by users?
2. How much does it cost?
3. Does GreyLit keep things confidential or are reviews anonymous?

Come to this exciting series of talks hosted by Research Services. Each month, a clinician-researcher from the Health Centre will present their research. This discussion will be appropriate to an audience with a wide range of backgrounds.

We encourage fellow clinicians, researchers, administrative staff, managers, and the public to attend.
