

NEW!

Introducing your Upgraded Residence WiFi & Entertainment Package

- We are proud to offer you even better WiFi and Streaming TV Entertainment package — exclusive to students living in residence. **All of this is included as part of your residence fees.**

CONNECT TO WIFI

New for 2023 Fall Semester “Wireless Personal Networks” (WPN)

- WPN will provide student residents with their own secure WiFi network, in which you can **easily connect all your WiFi devices** such as laptop, smart phone, tablet, lights, speakers, pictures, TVs, gaming devices, etc.

To set up your WPN, so you can connect all your devices to the Residence Secure WiFi network:

- Use your smartphone to connect to **dal.residence-wifi.net**. When prompted click on **Manage Residence WiFi password**, then when prompted - enter your Dal NetID and password.
- This will take you to the new WPN page where **you will be provided your own Wireless Personal Network (WPN) password** and optional QR code.
- This will be the password you will use for all the devices on your WPN. You can copy the password for use with all your devices you would like to connect to the Residence-Secure WiFi network.
