COVID-19 EMERGENCY RESTRICTIONS

These restrictions are based on the most recent Nova Scotia Public Health guidelines to ensure the safety of our residence communities.

The following COVID-19 emergency restrictions will be in effect until at least October 31, 2021, at which time it will be formally reviewed with potential changes to take effect November 1, 2021.

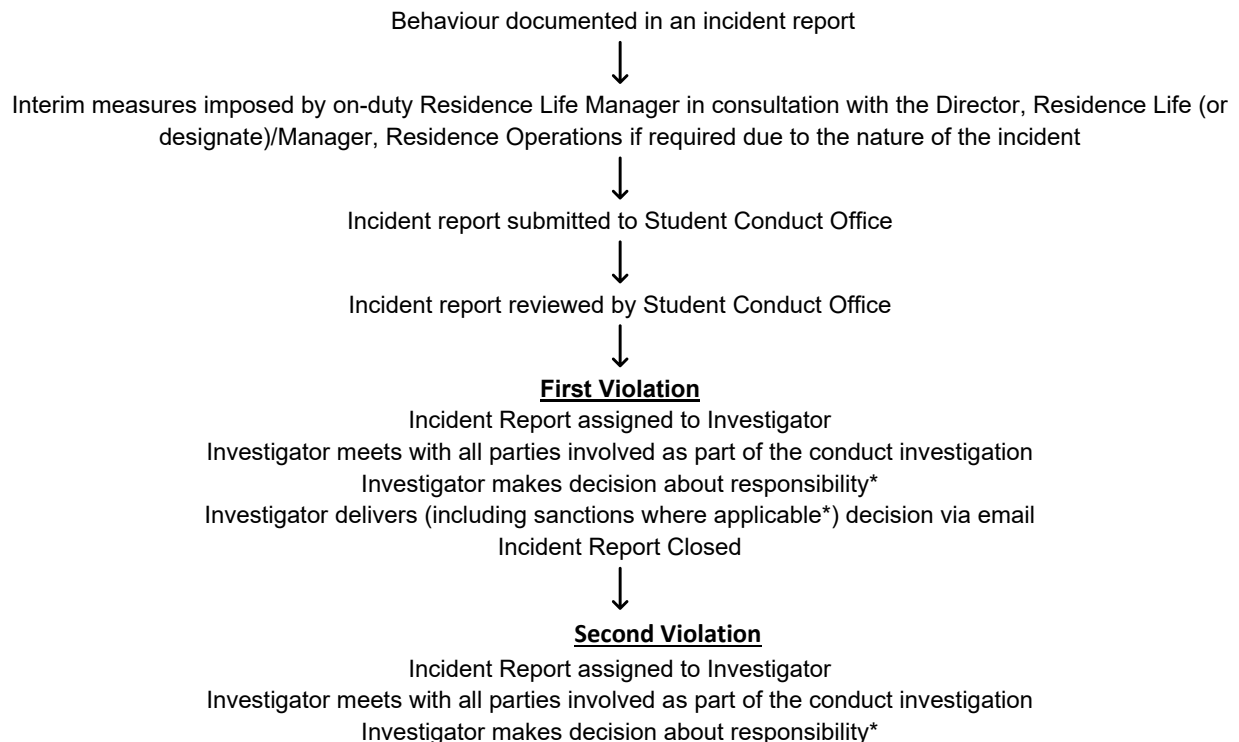

Masks must always be worn in all residence areas outside of individual bedrooms (lobbies, lounges, hallways, stairwells, elevators, kitchens, kitchenettes, laundry rooms, etc.). Masks can be removed to eat in the dining hall when seated.

Resident students are not permitted to have any guests in residence (this includes no inter-residence travel unless required for access to their assigned dining hall).

Our COVID-19 Emergency Restrictions are intentional and represent our dedication to keeping everyone in our residence communities safe. As such, we expect strict adherence to the COVID-19 Emergency Restrictions from all our residence students.

Behaviours contrary to the COVID-19 Emergency Restrictions will be reported to and investigated by the Student Conduct Office in the process outlined below. On the Truro Campus, incidents will be investigated by the Residence Life Manager and/or Manager, Residence Operations.

If a student is involved in multiple incidents in a short period of time, they may be investigated simultaneously, however each incident will be treated separately when considering sanctions as outlined below.

****Students are able appeal eviction decisions by submitting a "Conduct Appeal Submission" via dal.erezlife.com.
