Dry Needling Level 1 Course

A SESSION HOSTED BY THE DALHOUSIE PHYSIOTHERAPY CLINIC

Acupuncture Canada’s Dry Needling Level 1 course is being held in Halifax, May 29-31st, 2020

The level 1 course of Acupuncture Canada’s Dry Needling Program uses the trigger point approach. Level 1 addresses low back pain, piriformis syndrome, hip dysfunction, rotator cuff pathology, lateral epicondylitis, groin strain, and other common conditions.

The level 1 course begins with a self guided online component, followed by a 3 day onsite session. A practical exam is included at the end of the onsite session.

Course Details and Fee:
- Online module plus 3-day workshop, including examination
- Course fee: $1295.00 + tax for Acupuncture Canada members/$1395.00 + tax ($1604.25) for non-members
- Acupuncture and/or needling experience is not required to register for the Dry Needling Program, however, registrants must check with their regulatory body as acupuncture training might be required before you can participate in dry needling training.
- This Halifax course is hosted by Dalhousie Physiotherapy Clinic.
