## Undergraduate Summer Course Scholarships

The Dalhousie-BIOS Experiential Learning Fund provides **scholarships** for Dalhousie undergraduate students to take summer courses offered at the [Bermuda Institute of Ocean Sciences](#).

### Dalhousie-BIOS Summer Course Scholarships

Dalhousie undergraduate students enrolled in **Marine Biology, Ocean Sciences** or **Oceanography** may apply for a scholarship valued at up to \$5000 to take a summer course at BIOS. To be considered, students must have a minimum GPA of 3.3 and be in at least their second year of undergraduate studies.

Please note: The scholarship will not cover all costs associated with taking a summer course at BIOS. Travel and remaining costs are the responsibility of the student.

#### **How to Apply**

Interested Dalhousie undergraduate students should

- Visit the BIOS website [http://www.bios.edu/education/summer\\_courses/](http://www.bios.edu/education/summer_courses/) to determine which courses are offered this year. Check for specific course requirements (e.g., scuba certification).
- To be considered for a **Dalhousie-BIOS Summer Course Scholarship**, submit your application (next page), academic transcripts and name of a course instructor who has agreed to provide a letter of reference for you, to the Dalhousie-BIOS Experiential Learning Fund Committee (Dean's Office, Faculty of Science) by March 15.
- Your application will be forwarded to BIOS where final acceptance into the course will be determined
- Students who are unsuccessful in the competition for the Dal-BIOS scholarship but are accepted into the course may be eligible for other scholarships offered by BIOS
