| **7:30 – 8:30 am** | **Clinician Breakfast**  
Integrating research into clinical care – Action research and learnings from the EXTRA Project  
**Presenters:**  
Dr. Jeannie Haggerty  
Professor  
Dept. of Family Medicine, McGill University  
Dr. Crystal Todd  
Department Head, Family Practice  
Western Zone, Nova Scotia Health Authority  
**Note:** Separate registration is required to attend this event |
| **8:30 am** | **Poster Set Up**  
Location: Navigator Room |
| **8:30 – 9:00 am** | **Registration & Breakfast** |
| **9:00 – 9:10 am** | **Opening Remarks**  
Dr. Fred Burge  
CoR-PHC Co-Lead  
Professor and Research Director, Dept. of Family Medicine, Dalhousie University |
| **9:10 – 10:10 am** | **Keynote Address: What has a health services researcher learned about quality improvement?**  
In this lecture, Dr. Haggerty will discuss lessons learned in creating successful research projects. Many of the required skill sets are from outside of traditional health research, including project management, governance and implementation science.  
**Presenter:**  
Dr. Jeannie Haggerty  
Professor  
Dept. of Family Medicine, McGill University |
