

The Canadian Centre for Ethics in Public Affairs is pleased to present:

Ethics in the Evening

Ethics and the Deep Blue Sea: How Transparent is the Communication of Ocean Science?

Do ocean scientists have an ethical obligation to be transparent in the communication of information? ♦ What challenges limit the ability of scientists to be transparent when communicating with policy makers or the general public? ♦ How should the general public hold ocean scientists accountable?

Dr. Letitia Meynell, Associate Professor, Philosophy Department, Dalhousie University
