Required Textbooks:
Aula 3 will be required for Taller cultural.

About SPAN 2020:
SPAN 2020 is the second level in the Spanish program, and is designed to reinforce the basic linguistic structures, with practice in listening, speaking, reading and writing. Prior knowledge of Spanish is assumed.

The cultural component of SPAN 2020 is an integral part of the course and your participation is, therefore, required. Students will attend one hour per week (see schedule below) outside their regularly-scheduled three hours of instruction.

No tutorial section changes will be allowed at any time. SPAN 2020 is an X/Y course, so once you have registered for a tutorial, you MUST attend that tutorial throughout the year.

Objectives:
1. To develop students’ listening, reading and speaking proficiency in Spanish.
2. To explore different cultural realities from around the Spanish speaking world.

Grading:
Taller cultural is worth 5% of your final mark in Span 2020 and is based on:

1. Attendance:
   - Attendance is extremely important and will be taken at each meeting, but attendance alone does not constitute participation.

2. Participation
   - You are expected to arrive punctually for class, and to focus on your work while in class (no cell phones, texting, e-mail). Your meaningful participation in the class will include:
     - coming to class fully prepared for the day’s activities
     - speaking Spanish in class
     - participating actively in small-group and partnered activities asking and answering questions
