TIP: give your referees a deadline of at least a few days prior to your final submission deadline.

Note: If you have completed the proposal information in the scholarship application before sending out your referee invitation, the referee will receive a copy of the proposal in their email.

Order ALL official transcripts. Many universities are now providing electronic versions.

TIP: It is your responsibility to access all transcripts and upload them to the scholarship platform as a single PDF.

Note: for the HSP only, a copy of your DalOnline academic record can be used in place of an official transcript for you prior studies at Dalhousie. Official transcripts are needed for the Tri-agency CGS-M competition.

Think about what might make your application stand out from the crowd.
